## DEDICATION

"SHAZAM!!!" he said with a grin at the start of a very special year. Our country's 200th birthday is something very special. The year Nineteen Hundred and Seventy-Six will long be remembered for it will happen just "Once In A Lifetime."

The 1976 FASTI very much resembles the man to whom it is dedicated. As this yearbook has many different meanings to many different people, so he is many things to many people. He is a family man with a smile that brings sunshine to everyone's day. As a teacher he devotes much of his time to the molding and development of a student's future. We all appreciate his concern.

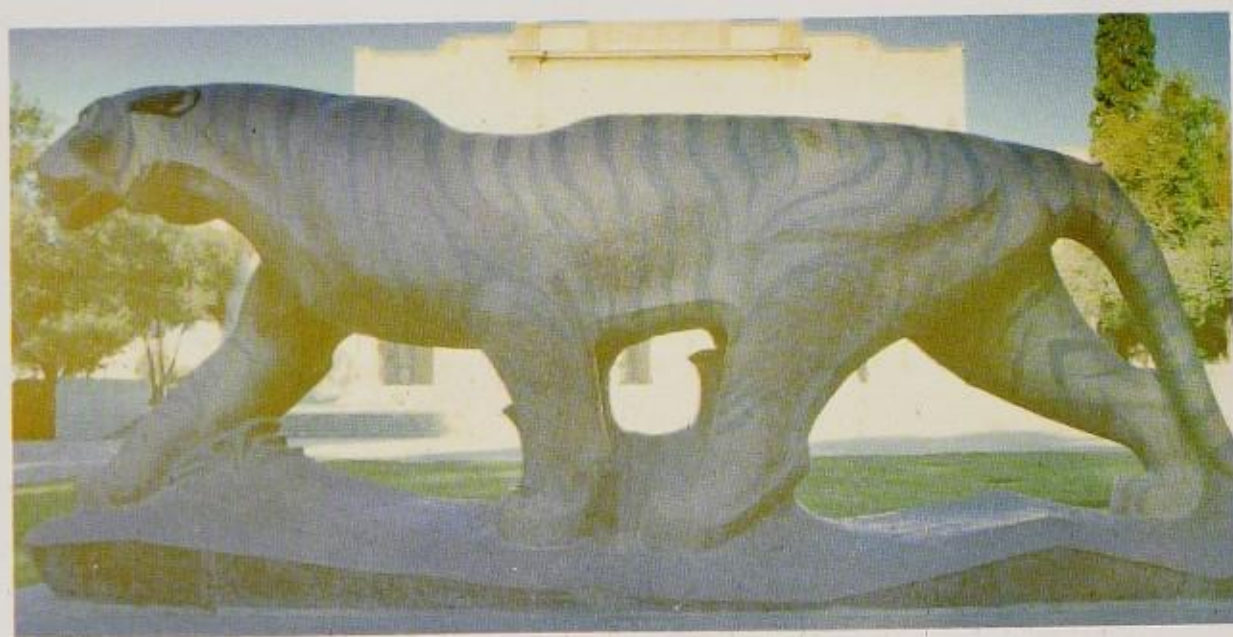

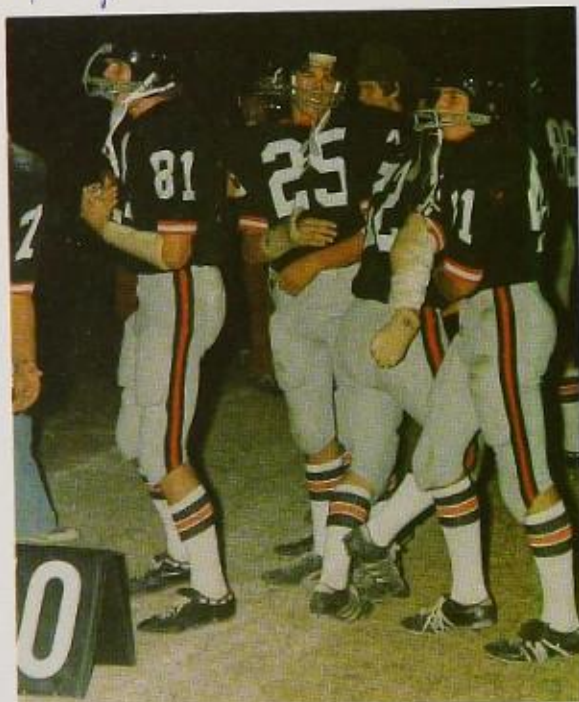

In his 12½ years at Chaffey, he has been very outspoken about many things that are beneficial to the students. He is often seen at athletic events or chaperoning student assemblies and special events. It is not unusual for students to ask him for advice in solving life's problems.

It is with the utmost pride that we, the FASTI Staff of 1976, salute:

**RON ECKERT**

Tom,  
Have a good summer  
maybe with Sue. Hope you  
in the stands yelling for  
us. See you next year.

We often take our freedom and independence for granted. But as we celebrate our nation's Bicentennial, we should think of it not only as our country's birthday but as the observance of 200 years of struggle, conflict, growth, and prosperity.

The 200 years of national growth has included almost a century of parallel advance for the city of Ontario. Since its birth in the early 1880's, Ontario has had peaks and valleys of development, but always with an upward direction.

It started when George Chaffey, Sr. and his son, William B. Chaffey, left their home in Ontario, Canada in 1878 to start a new life in Riverside. George Chaffey, Jr. heard exciting accounts from his father and brother and joined them in 1880. George Jr. foresaw a beautiful city "without slums or saloons." He paid \$60,000 for 6216 acres of land to establish his "model colony" in Ontario.

Four progressive programs were established for the Colony. The first was to distribute water in cement pipes to each 10-acre farm lot and smaller city lots throughout the whole tract. In 1883, for as little as 150 dollars, one could buy land and one share in the San Antonio Water Company. The plan was unique because water was used not only to irrigate but to generate electricity.

Secondly, a major thoroughfare was to stretch from one end of Ontario to the other. A 200-foot-wide highway, eight miles long with a spacious parkway became Euclid Avenue. It was landscaped with Grevillea and Papper trees. When the purple mountains at its northerly end were capped with snow under azure skies, the Avenue compared favorably with the most beautiful in the world.

Another basic program entailed securing the "best possible class" of settlers for the Colony. (To this end, among other things, the sale of intoxicating liquor was forbidden for 50 years.) In 1903 the U. S. Government selected the Ontario Colony as a standard for American colonies using irrigation.

The Chaffey brothers sold their interest in the Ontario Land and Improvement Company in 1886. They moved to Australia to form similar colonies there. But George returned in 1896 and was put under contract by the Ontario Land and Improvement Company to develop more water for Ontario. He continued his work with the company until his retirement.

To commence the fourth major program, in 1883, the Chaffey brothers donated 20-acres at Fifth Street and Euclid Avenue and 320-acre endowment of land to serve as the location of Chaffey Agricultural College. The College was for many years associated with the University of Southern California.

In 1901, Ontario High School District was formed. For the next eight years, classes were held in the college buildings. In 1908 the High School District purchased land from the college at Fourth and Euclid to serve as the location for a high school building. In 1911 Upland joined Ontario in forming the Chaffey Union High School District. Eventually the boundaries of the district were extended to include Etiwanda, Alta Loma, Cucamonga, Fontana, Mountain View and Camp Baldy. Chaffey Junior College of Agriculture, was organized in 1919.

During the depression of the 1930's, one of the low periods nationally, Chaffey education ascended to one of its peaks. For, as is noted on a bronze plaque "At a time when men were experiencing difficulty in finding work, our government, with the cooperation of the people of this district, accomplished these improvements: Aviation Building, Memorial Library, Women's and Men's Gymnasium, Bleachers, Music Building, Athletic Field, Tennis Courts, North and South Halls, Plunge, Shower and Dressing Rooms, G. W. S. Auditorium, Science Building, Transportation Building, Mechanic Arts, Aviation Building addition."

In the late 1950's Chaffey District served students in a 200-square-mile area, from Pomona to Rialto, from Mt. Baldy to Chino. One third of the district students are at Chaffey High. In 1960 Chaffey College moved to its present site in Alta Loma and buildings formerly occupied by the College were taken over by the High School.

The U. S. Bicentennial will be much celebrated in Ontario. The annual Chaffey High School Tournament of Bands will be a major event. Ontario's Bicentennial Commission is sponsoring a parade, the annual All States picnic to be held on Independence Day, and after the picnic, a fireworks display.

But for Chaffey and Ontario, the Bicentennial will be occasion for a look into the future as well as the past. A World's Fair — Expo 81 — to be held at the Ontario Motor Speedway, must mean continuous, perhaps spectacular growth for this area. The face of downtown Ontario will be drastically changed by the development of a Civic Center. Even as the Pepper trees along Euclid Avenue are dying, a new landscaping plan is bringing the street to even greater beauty. Chaffey campus has a new Math-Science building, a locker compound, new landscaping in the South quad and is preparing for new quarters to house the Business Education department. And more significantly, there is exciting educational change, and hopefully growth, in the future.

Cross Country is an endurance sport. At the beginning of every year, many athletes go out for the team, but only those who really like to run can hack it. Two miles of uphill, downhill, rugged sandy courses provide the Harriers with one of the hardest sports Chaffey can offer. It is self-conditioning, unlike other sports.

You have to hit a pretty quick pace, and keep it there, whether your body can take it or not.

With only four returning lettermen, Tim Mattison, Larry Madison, John Castro and Art Rodriguez, the Tigers worked hard throughout the season. Art Rodriguez suffered an injury and was unable to compete until later in the season. Seniors Tim Mattison and Larry Madison were named all CBL, the third year in a row for Tim.

The 1975 Frosh Orange Football season ended with 3 wins, 5 losses, and 1 tie. The wins all coming in league competition against the strong defenses of La Puente, Covina and Edgewood High Schools. The battle against Moore Junior High School, in Redlands, was the single game which resulted in a tie. Other league opponents from which the Orange did not fare as well were: Los Altos, La Puente, Wilson, South Hills, West Covina, and non-league Don Lugo of Chino.

Some of the standouts for the Tigers were Marty Crowe who received the M.V.P. awards and Chris Gericke who received the best lineman award. The best back award was presented to Tony Izzo.

These young athletes should prepare Chaffey's future rivals for some very tough showdowns.

## Frosh Black

The Frosh Black Football team had the most outstanding record this year, 9-0. They scored a total of 318 points, while they had only 18 scored against them. The team was exceptionally strong offensively, as well as defensively.

In non-league competition, the Tigers went up against Rialto with a victorious score of 24-0, and also Pasadena which ended in a win of 14-12. In league, the scores were as follows: La Puente, 60-0; Los Altos, 54-0; South Hills 34-0; West Covina, 36-0; Covina, 36-6; Edgewood 58-0. The team also picked up an easy victory when Wilson forfeited.

The Frosh Black's Most Valuable Player was Scott Bennett. The Best Back award was presented to Bob Fellhauer, while the Best Lineman award went to Mike Bandy. Two men received captains awards: Kevin Vaughn and Kevin Parks.

**SENSATIONAL!!**

## Sophomores

The Sophomore Football team went 8-1 this season, with a 4-1 league record. With their strength, size and ability, the team shut out San Marcos, Alhambra, and San Geronio, losing only to Redlands.

Most Valuable Player was Bill Pomerence. Chosen for their performance as best backs were, Danny Olivera, and Chuck Cohn. Bruce Lewman received the best lineman award. Two trophies were given by the coaches for the captains award this year, and they went to Mark Urich and Greg Signorio. The Sophomore coaching staff consisted of Jim Reno and Ted Reeves.

The future looks very promising for the Tigers, as the offense and defense has never been better.

Nineteen Seventy-Five, Seventy-Six left Chaffey High School playing their finest season of football since 1968. Defensively, the Tiger's front line was one of the best ever. As the Tiger punter, Anthony Munoz proved his talents under the eye of many college scouts.

With the efforts of our three fine runningbacks Rick Fellhauer, Ed Saunders, and Frank Fernandez, the Tigers clinched the CBL co-champs title. Defensive lineman Matt Burdick contributed to the team with many excellent plays. His quickness, agility, and hard hitting made him a terror to anyone in the opposing backfield. Junior quarterback, John Gable, led the Tigers through the season with a total passing yardage of 802 yards. Kicking the extra points during the season was specialist Marvin Fernandez, one of the best in the league. As center, Sean McGinty received honorable mention in the Citrus Belt League for his consistent playing ability. Playing as opposite utility linemen were Neal Weeks, offense, and Eddie Henry, defense. Both of these talented athletes proved Chaffey Tigers are surely CBL champs. All of these fine men were among the 1975 Tiger standouts. Anthony Munoz received the M.V.P. award, the Anderson Kicking award, was a defensive player of the week, while serving as defensive captain. Rick Fellhauer received the Offensive Back trophy and was also a defensive player of the week. Randy Johnston was presented the Defensive Back honors and a D.P.W. Neal Weeks was presented the Offensive Lineman award, and Matt Burdick was awarded the Defensive Lineman trophy and was D.P.W. two consecutive weeks. Most Inspirational was voted to Steve Speer. The Chuck Bobitch award went to Ron Bowman, along with the G.H. Davis Memorial Award which was presented to Sean McGinty.

Aside from Chaffey's spirited squad members, we also can be very proud of our knowledgeable coaching staff. We can be sure that with this crew of hard working men developing character and sportsmanship, Chaffey has a great asset. This year's coaching staff was led by head coach Ray Stark; Tom Graham in charge of offensive and defensive ends; Leo Guest, leading the offensive backs and linebackers squad; Jim Hemmingsway, also with offensive backs, quarterbacks and receivers; Dave Stauffer, offensive and defensive linemen and the defensive coordinator.

The Tigers had a fine year, their season record 8-3. In their first game, they played against Pasadena, a team that is annually in the playoffs. When both teams met, Chaffey scored the first touchdown off a blocked punt. In the fourth quarter, Pasadena came back for 6 as we blocked their punt. While ahead 7-6 with 5 seconds left, Pasadena made an unexpected pass touchdown leaving them the victor in a 13-7 Tiger defeat.

When Chaffey traveled to Magnolia, we made a quick rebound. The insight of the game came when Dean Steffler took the opening kickoff 91 yards for the opening score, and Chaffey stayed ahead. The Tigers ran and passed through a tagged Magnolia defense to make the final tally 28-12.

Chaffey's defense had their bright spot of the season when we traveled up the coast to Santa Barbara for a San Marcos vs. Chaffey go-around. The defense strengthened when San Marcos neared the 30 yard mark. San Marcos broke through once, but defensive star Anthony Munoz scored the final touchdown with a tackle eligible play giving the Tigers a 15-14 upset over the S.M. defenders.

Alhambra came in after a meeting with 3A powerful Temple City, and though they had a strong running game, Chaffey's magnificent line held them to only one TD in the contest. Chaffey's offense, however, shifted into high gear as they scored 27 pts. against the Moors.

The CBL opener against Eisenhower disproved the CIF rankings of Ike being 12th in CIF and Chaffey 18, as the Tigers outscored the Eagles 20-14.

Then in came the Fontana Steelers who in the 74-75 season knocked Chaffey out of a CIF bid with a 24-21 Steeler victory at Fo Hi. Chaffey evened the score this season as they knocked off what was soon to be called co-CBL champion, besting Fontana 11-6.

After a strong first half against Redlands in which Chaffey's defense shined on three separate goal line stands, the terriers came out breathing fire as they handed the Tigers their worst defeat of the season in a 29-7 contest.

San Geronio came into the game out of the CBL picture. Chaffey on the other hand was tied with Redlands and Fontana and had to win the remaining two games. The Spartans tried to spoil the season for the Tigers, but Chaffey with a later surge kept themselves in the picture with a 15-14 victory.

In the battle with Pacific, Chaffey went in and routed Pacific to clinch a CIF playoff spot and technically the CBL crown.

As Chaffey entered the CIF playoffs, John F. Kennedy High School turned up the opposing team. As the two high powered teams faced each other the verdict would be made by the team reaching the end zone first. Unfortunately, in the fourth quarter, a last minute incomplete pass gave J.F.K. the opportunity to score, making the final tally 21-34.

Although the Tigers lost their first CIF playoff game, Chaffey fans held their belief that the 1975-76 squad was one of the finest teams ever to play in Chaffey's own Graber Stadium.

## Second In CBL

The girls' tennis team closed their season in second place this year. Playing in the Round-Robin Tournament, the tigers turned out a 7-3 record. Six girls went to represent Chaffey in the CIF Playoffs: first and second singles were Peggy Toole and Simone Klitenic; first doubles were filled by Heidi Rodewald and Linda Salvati; second doubles by Dana Crappa and Darin Moore. Peggy Toole was the lone tiger who represented the CBL League in the CIF Tennis Sectionals. The team was coached by Noreen Kistner and Karen Berry.

Chaffey won 15-8, 11-15, and 17-15. After a definite win over San Geronio, Chaffey earned the #1 spot and qualified for CIF. In the first round, the team went up against a hard serving Pomona Catholic team and lost two games in a row, 15-3, 15-7. The following varsity players won honors: Tanya Bowie, Most Valuable Player; Lorel Roehl, Most Improved; Tammy Tingesdahl, Best Sportsmanship; Claire Toomay, Outstanding Spiker; Joy Bennett, Outstanding Setter; Lorel Roehl, Outstanding Server. For the second straight year the 1975 Chaffey High School Waterpolo Team comprised a majority of the All Citrus Belt League Waterpolo Selections. Leading the five-man parade of first teamers was the 1975 C.B.L. player of the year, Steve Evans. Steve scored 131 goals for the 1975 campaign and had 44 goals in 5 games. Tom Lucas was another first team selection. Tom banged home 101 canvas-slappers including 25 in league. The anchor of the defense was goalie Brian Howland. Joining Evans, Lucas, and Howland on the All C.B.L. first team were sprintman Joe Graff, and defensive specialist Steve Hollenbeck, both who played key roles in Chaffey victories. Two Tiger starters were named to the All C.B.L. second team: Mike Squires and Craig Sipes. A final member of the Tiger Varsity was accorded All-League Honorable Mention status at the selection committee, sophomore Mike Evans.

## Frosh-Soph

A balanced scoring attack of two goals apiece by Jerry Burke, Tony Dodaro, David Guimond, and Mike Smith, plus a single tally by reserve Alan Hacker helped pace the Chaffey Frosh-Soph to a 9-1 victory over Redlands for the C.B.L. Frosh-Soph title. Goalies Gary Chez and Kurt Ross proved a defensive backbone. Coach Mike Dest's crew finished with a 10-8 overall mark, winning five out of their last six contests.

## Freshmen

Coach Charles Rupert's freshman basketball players came out of the '76 season with 1-13 overall record. Their pre-season record was 5 wins and 7 losses. They finished as runners up in Frisbie-Rialto tournament, beaten by Ramona of Riverside. Chaffey finished 1-13 in the strong Sierra League. The freshman tigers competed in this league because there is no frosh league in the C.B.L. Of the 13 losses, five occurred in the last two minutes of play.

Row One: Malcolm Steinline (mgr.), Tom Amante, Doug Peters, Chris Mann, Dave Williams. Row Two: Dave Bolen (stats), Robbie Ashton (stats), Chris Herbert, Tim Lanier, Bob Ybarra, John Kohler, Mike Newnam, Jerry Lange. Row Three: Coach Rupert, Craig Acosta (stats), David Keith, Kevin Parks, Dan Herrera, Earl Smith, Darrow Wright, Georee Johnson, Greg Kent (scorekeeper), absent Arnold Espinoza.

## Sophomores

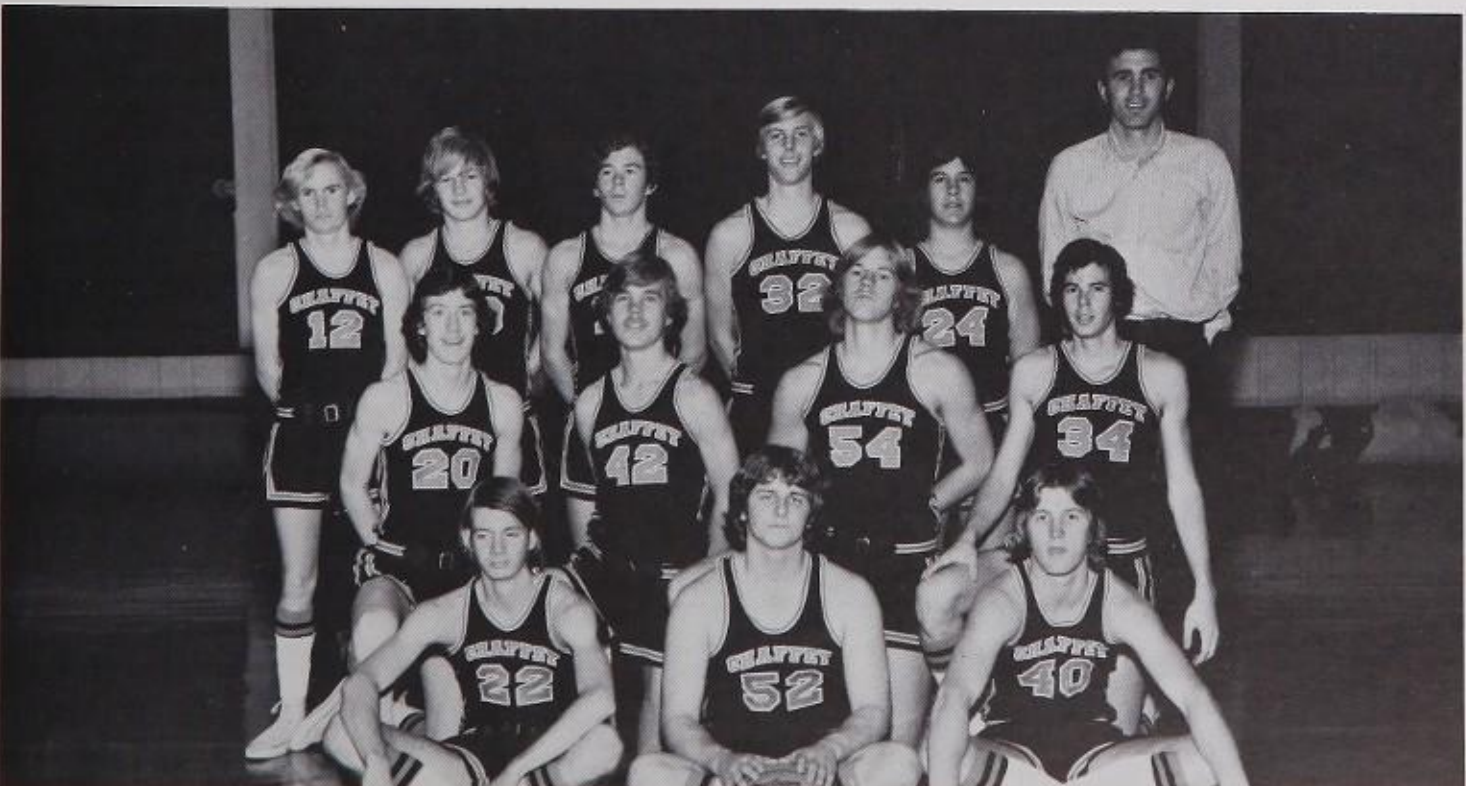

The Chaffey Sophomore squad held a 6-2 pre-league record while maintaining an overall record of 11-11. On December 27, 28, 30, the team took the consolation championship at the Sunny Hills Sophomore Basketball Tournament. With a little more experience and practice coach Wally Walter's team will become excellent performers out on the court. The season ended with the Tigers taking third place in Citrus Belt League action.

Row One: Eric Mattke, Morris Martinez, Scott Hutler. Row Two: Gregg Poupard, Mark Hale, Bill Ference, Roger Hughbanks, Desi Nuckolls, Steve Polzin. Row Three: Coach Waters, Don Kime, Mike Winans, Bruce Lewman, Ron Davis, Jim Toole, A. J. Colosimo.

## Junior Varsity

The Junior Varsity finished their season with a disappointing record of 5 wins and 10 losses. The JV's held leads in 9 of the 15 games, consequently a few of the defeats were more than frustrating. Five of the losses were by six points or less. Games that were close were usually won by the team making the fewest mistakes. Spirit, hustle, and teamwork are the strong points of the squad. The main weaknesses through out the season were rebounding and inconsistent outside shooting. The team was coached by Jesse Evans.

Row One: Mike Bre, Eric Allen, Jeff Dodd. Row Two: Jim Reinhardt, Don Sheffield, Dave Stevenson, Rick Zbinden. Row Three: Roger Wampler, Bill Simonsen, Brian Pace, Steve Moyer, Matt Bassi, Coach Evans.

# Chaffey's # 1

Chaffey opened the 1975-76 season with four letterman veterans returning to the Chaffey Varsity Basketball team. The varsity basketball squad tied for first place in the Citrus Belt League crown for the first time since 1968. But that came only after what people have called the Chaffey "Game of the Decade" against powerful San Geronio in the season finale February 21 in a packed gym.

The season started out slow for the Tigers. After a 65-47 victory in the annual opener against Covina, Coach Don Nelson's squad faced the always tough Los Altos Conquerors in the first round of the Arroyo Tournament. It was nip and tuck all the way until the Tigers pulled ahead to stay in the third, winning in 72-58. Chaffey was then ousted from the tournament by the eventual tournament champion Alhambra, 68-65.

Chaffey then lost to district foe and 2-A power Alta Loma, 66-55. Then came the annual Covina Christmas Tournament, in which the Tiger's were seeded fourth. After a 78-60 massacre of Northview, the Bengals encountered the most heartbreaking losses in Chaffey history. Ahead 90-80 with only two minutes left in the contest, Chaffey went ice cold while their opponent, La Jefferson became red hot, outscoring the Tigers 12-0 in the final two minutes to win 92-90. Chaffey bowed out of the tournament with a 63-49 loss to 3-A powerful San Gabriel.

But it was not all bad news in pre-league play. Not only did the varsity end it with a victory over Upland, 63-49, but senior Mark McQuaid set Arroyo Tournament history by being the first player to make the all-tournament team to Covina for the second year in a row.

CBL play began with San Geronio being the team to beat. Going into CBL play, the Spartans were ranked No. 3 in the CIF poll, with an 11-0 record, with Eisenhower's Eagles coming in with an 11-1 record. The Tigers began the race toward the crown with a 70-50 thrashing of Redlands. Chaffey then ended a five year losing streak on Pacific's home court with a 51-49 double-overtime victory.

Chaffey's first and only loss on their home court for the year came next with a 53-44 defeat by Fontana's Steelers. After defeating Eisenhower 71-56, came the first of the three meetings between the mighty Tigers and the super Spartans. In an unusual afternoon game, the Tigers, led by McQuaid with 26 points, Albert Ramirez with, 14, and John Matke, 10, upset the undefeated Spartans 70-58.

After victories over Redlands, 76-59, Pacific 55-53, Fontana, 68-58, and Eisenhower, 66-63, came the second meeting of the Titans. San Geronio's Steve Johnson scored 30 points to the 26 combined total of Matke, 10, McQuaid, 8, and Anthony Munoz, 8, in an 81-46 destruction of Chaffey.

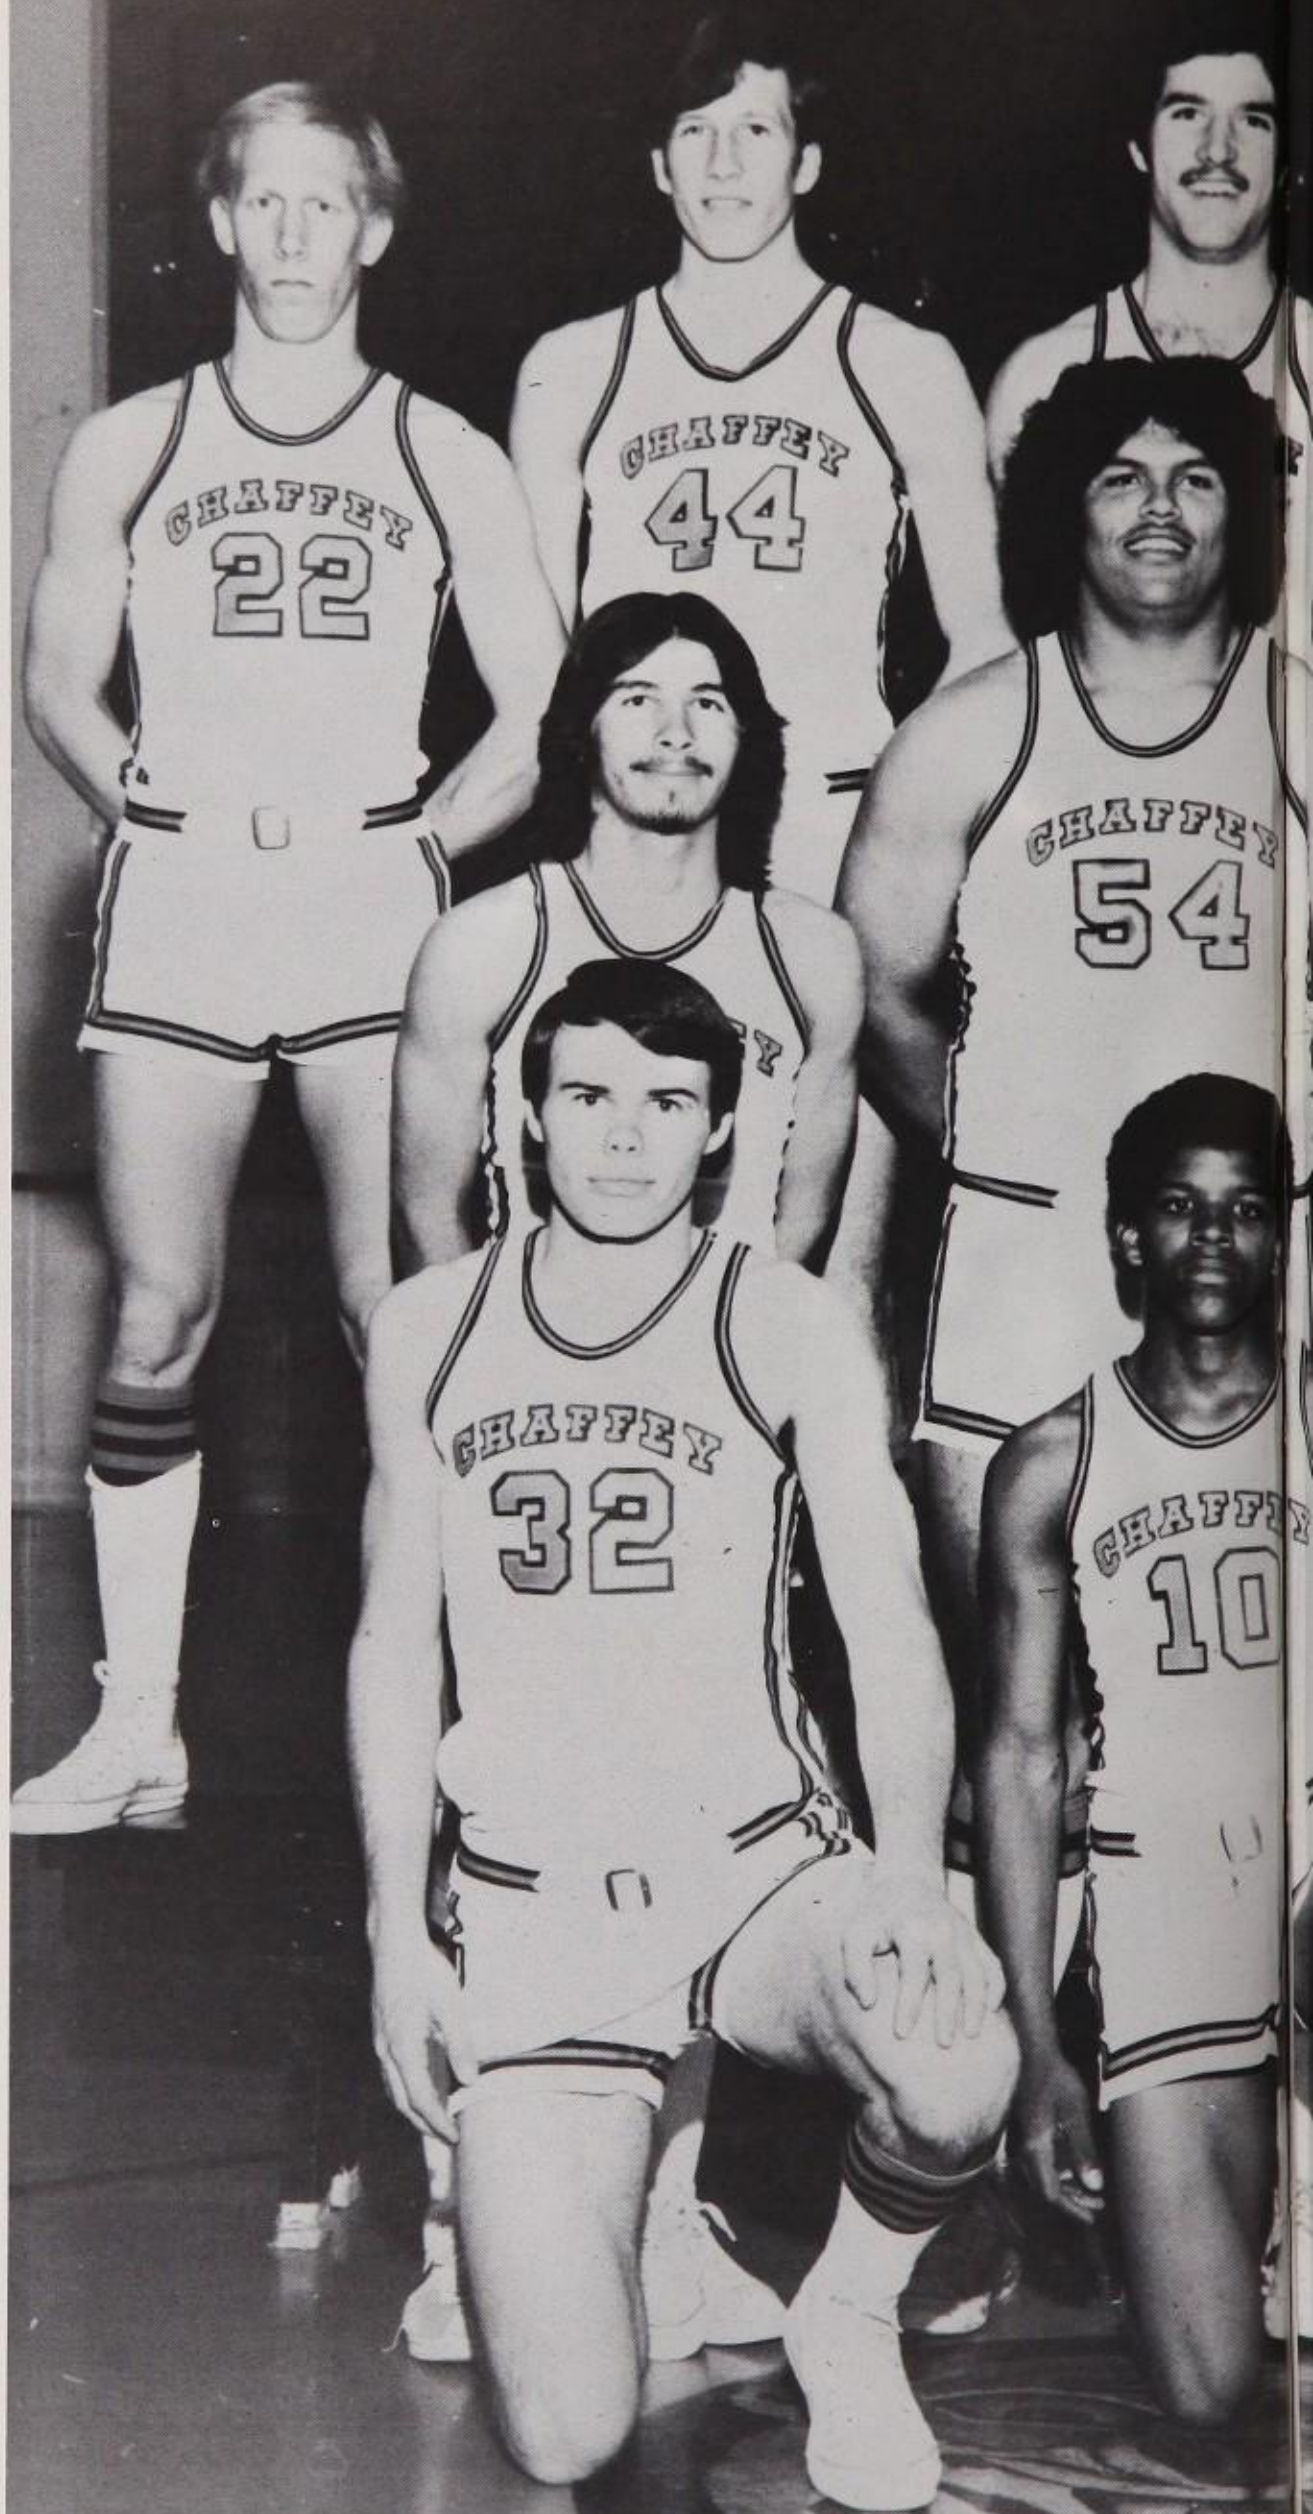

After a loss to Redlands (75-71) and victories over Pacific (86-50), Fontana (62-48), and Eisenhower (72-59) came the game of the decade. A Saturday night affair, the game brought emotions to a head. The winner of the game would be the CBL champ. When the dust settled, Matke had led the Tigers to Co-Championship with his clutch play in the fourth period after McQuaid had fouled out, and Chaffey had won it all with a 63-51 victory. Chaffey and San Geronio closed with 11-3 records. The Tigers in Nelson's second year as varsity coach wound up 15-7 overall with the CIF rating of 18th going in the play offs.

Chaffey began CIF play with 54-40 victory over Camino Real runner-up Serra at Chaffey. This was the Tigers first victory in the CIF play offs in 14 years, since 1962, when they went all the way. Matke lead all scorers with 22, with McQuaid following with 19.

Next in line for Coach Nelson's Cagers were Alhambra's Moors. Alhambra had earlier beaten Chaffey 68-65 in the Arroyo Tournament, so the Tigers were out for revenge. In a game played at Ontario High School, Chaffey was lead by the trio of McQuaid, Matke and Ramirez, each scoring 16 points each in a 59-57 upset over third-ranked Alhambra. The outside bombing of Ramirez and Schessler (8) coupled with the inside play of McQuaid, Matke, and Munoz that brought the victory!

The Bengals exited the play offs on the road, with a 64-56 defeat to Buena of Ventura. Twenty-seven Chaffey turn overs, along with a 30 point game turned in by the Bulldog's Dan Howell were the crucial points in the game. But the Tigers didn't give up without a fight, with McQuaid and Munoz scoring 28 and 10 respectively. Over-all, it was a great year, the Tigers finishing up with a fine 18-8 over-all record.

# Soccer's Super Season

Chaffey's 1975-1976 Soccer Team had a fantastic season. They finished first in the Citrus Belt League, with a 7-0-1 record. This was the second consecutive year that the Tigers were undefeated in league play and advanced to the CIF play-offs.

One of the seasons highlights was when Chaffey beat Damien 1-0 to take third place in the Damien Tourney, behind 1st place San Gabriel and 2nd place Excelsior. One of the high points of league play came when the Tigers defeatd Webb 4-0 to secure the first place position.

Outstanding offensive performances this season were by unrelated Marvin and Frank Fernandez. Marvin set a school record for most goals scored in one game with 5 against Fontana. Two weeks later, Frank broke that record with 7 goals against the same team. Other offensive players that turned in outstanding performances were Jaime Ramirez and Jack Castillon. Defense was the name of the game. Raul Guerra and Nick Sedgwick proved to be the best fullback combination in the history of the school. Rounding out the other defensive positions were Jack Jimenez, Rick Lee, and Mike McEachron.

Chaffey's offense scored a total of 80 goals, while the defense allowed only 17 goals to be scored against them. High scorers this year were Frank Fernandez with 37 goals, and Marvin Fernandez with 23. Goalie Javier Ramirez recorded 110 saves.

Six players were named to the First Team All CBL. They were goalie Javier Ramirez, a junior; seniors Jack Jimenez and Nick Sedgwick, fullbacks; halfback Marvin Fernandez, a senior; and forwards Frank Fernandez, a junior, and Jaime Ramirez, a sophomore. Four players were Second Team All — CBL choices. They were fullbacks Raul Guerra, a senior, and Mike McEachron, a junior; halfback Mazen Fakhouri, a junior; and forward Jack Castillon, a junior. Rick Lee, a junior, was awarded an Honorable Mention.

Chaffey's fabulous soccer team into the CIF play-offs with a 16-3-2 record, having been 7-0-1 in league. In the first round, the Bengals faced Santa Ana at home defeating them 2-1 in overtime. Goals were by Frank Fernandez and Jaime Ramirez. From there, the Tigers went on to overcome No. 2 ranked So. Torrance 1-0 in the second round of play. In the third round, Chaffey traveled to Salesian in Los Angeles. The game was scoreless through regulation time, ten minutes of overtime, and ten minutes of sudden-death overtime. The game then went to penalty kicks. On a mistake by the referees, Salesian won the game. But Coach Stepanian contested the game and the CIF Commissioner ruled in favor of Chaffey, giving the Tigers a 1-0 victory. By virtue of the win, the Bengals advanced to the semifinals and played Central of El Centro. Again the game went all the way to penalty kicks, resulting in a Chaffey loss. The Tigers then played Palos Verdes for the CIF third place crown. After nine overtimes, Palos Verdes overcame a determined Chaffey team, 1-0.

The Varsity Team anticipates a Second in dual meets with a 4-1 record and a 5-4 record overall. At press time they are hoping to win the CBL Swimming Championships during the season.

This year's 1976 Chaffey Union High School District Invitational was held at Montclair in which Chaffey was outstanding in all events. Chaffey outdistanced 2nd place Upland 611-489 with Montclair and Alta Loma finishing 3rd and 4th. Individual events were won by Tigers Tom Lucas in 200 yd. freestyle and Jeff Thornton in the 500 yd. freestyle.

Seniors leaving this year are Tom Lucas — freestyler, Joe Graff — breaststroker, Mark Szpyrka — distance. The Swimmers coming back with hopes for a strong season are Jeff Thornton, Peter Bringman, Danny Davis, Chris Ruel, Heidi Rodewald, Linda Salvatti, Mike Evans, David Schoenborn, and Danny Spencer.

The 1976 Chaffey Diving Team is one of the strongest in the schools history. The team is led by seniors, Steve Evans, Kathy Pedersen, Cynthia Watkins, and Linda Telep. Steve Evans has been a CIF finalist for the past two years and should repeat this year. Kathy Pedersen is an outstanding diver and should be second place in the CBL League competition. Steve and Kathy are undefeated in dual meet competition this entire season.

The hope for the future rests with two sophomore divers, Pat Marten and Ron Lancial. Pat Marten should finish third place in the CBL League championships behind Steve Evans and Kathy Pedersen.

A promising group of first year divers means Chaffey High School will continue its tradition of dominating the CBL diving scene. This group includes Tami Anderson, Bobbi Brasfield, Gigi Carter, Marty Hoyos, Betty Jeffries, Mary McMichael, and Linda Wiesen.

CHAFFEY VARSITY WRESTLING 1975-1976

With a late start because of C.I.F. participation in football, in which over half of the starting lineup was involved, the varsity wrestling team got off to a slow start, with a 13-44 loss to C.B.L. champion Pacific. But this did not dampen the Tiger spirit because we had the makings of C.B.L. contenders with returning lettermen, Bill Pugh, Jeff Barksdale, Greg Hover, Brent Jones, Skip Champion, Ron Bowman, Dave Kaufman, and Jim Fosskett. Also breaking the starting lineup would be returning Jr. Varsity wrestlers Larry Miller, Ray Bumpus, and Al Quiroz. Larry Miller and Ray Bumpus both beat out Varsity returnees to earn their starting positions, while Al Quiroz replaced a graduating senior. Enrique Lopez, Dave Smith, and Tom Freeman rotated at the 98 and 106 pound weight classes. Alex Olive and Bob Baltierra earned their starting roles at 194 and 238 pounds. After the opening loss to Pacific, the Tiger grapplers ran off three straight wins: 3-31 over highly rated Fontana, 43-29 over Eisenhower, and 46-19 over San Geronio. We then lost two in a row, 28-31 to Redlands and 20-32 to champion Pacific. We gave Pacific a scare, but lost two close matches which would have given us the upset victory. After the second round loss to Pacific, there was no stopping the Tigers, as we reeled off four straight impressive wins, 48-20 over Fontana, 42-16 over Eisenhower, 53-18 over San Geronio and a revenge victory over Redlands 33-29 to clinch the runnerup spot in the C.B.L. race with a 7-3 win loss record.

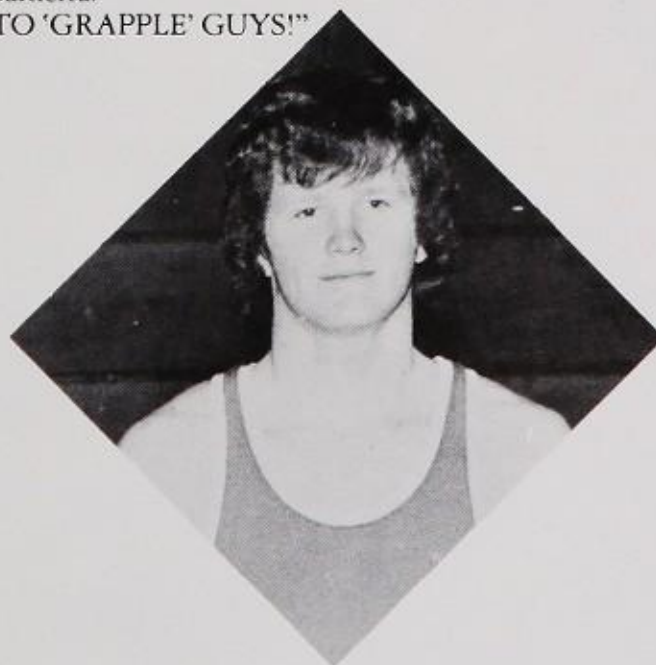

The Tigers gained high praise for their performance in the C.B.L. finals by surprising the rest of the league with the greatest number of high qualifiers for C.I.F. Chaffey had seven finalists and a consolation champion to qualify eight of its thirteen team members into C.I.F. competition. Ninety-eight pound Ricky Lopez, a freshman, placed second, 123 lb. Barksdale, a sophomore, placed second, 130 lb., R. Bumpus upset highly rated Grissom of Pacific 4-1 for the C.B.L. championship. Brent Jones, (136 lb.) pinned Lira of Pacific to become Chaffey's second C.B.L. ding of the day. Quiroz, (141 lb.) placed second. Champion (148 lb.) placed third. Bowman defeated Clark of San Geronio 10-5 to become Chaffey's third C.B.L. champion. Kaufman also took a second place seat. As C.I.F. competition stiffened, Bowman became the lone Tiger C.I.F. finalist by placing fourth in the C.I.F. sectional meet.

The 1976-77 wrestling season looks bright with only four regulars lost through graduation. R. Bumpus, Jones, Quiroz, and Bowman. These men will be missed, but we can look forward to returning regulars, like Lopez, Smith, Freeman, Pugh, Barksdale, Champion, Kaufman, Fosskett, Olive, and Baltierra.

## Frosh

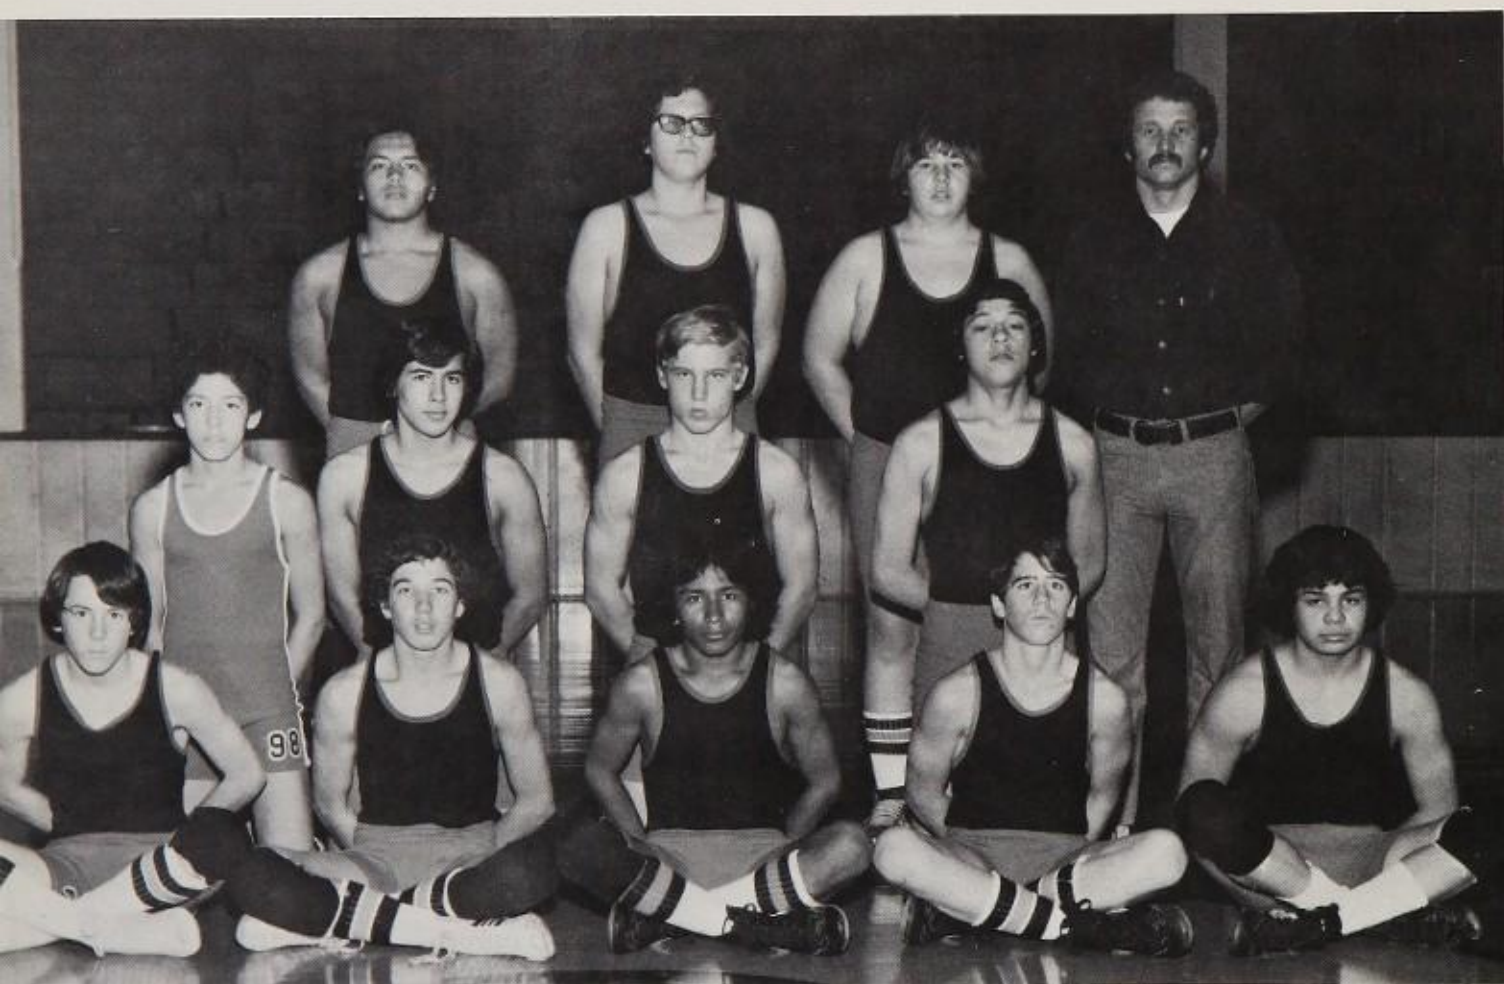

Chaffey Frosh Wrestlers faced six tough opponent schools this year and completed their schedule with a 3-3 record. The Frosh team finished it's season with just 15 members; so each and every wrestler was heavily counted upon to fill the 13 weight classes for each match.

Among this year's leading wrestlers were: at 98 lbs., Ricky Lopez, a late arrival who was undefeated. Lopez also wrestled with the Varsity squads. At 141 lbs., Vince Quiroz, who sported a 5-1 record. David Bahney wrestling at 148 lbs., one weight class above his weight, posted a 3-2-1 record. The Frosh heavyweight this year, Russ Calderwood, anchored the Frosh Grapplers with a 5-1 record.

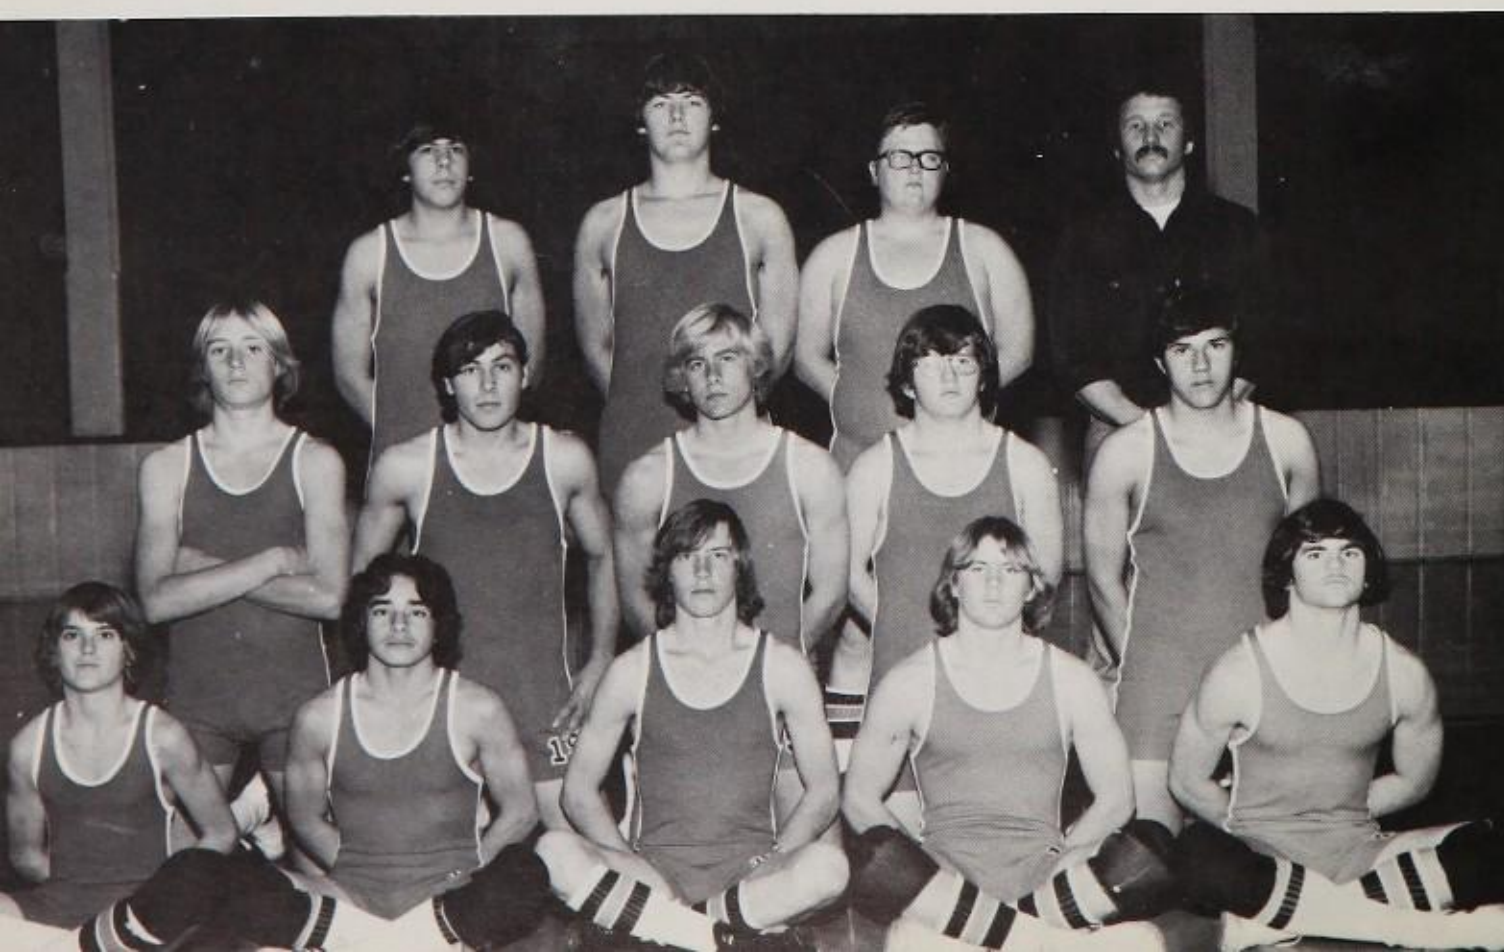

## J.V.'s

Chaffey's Junior Varsity wrestlers had a very successful 12-1 season. The Tigers soundly defeated Montclair 48-21 to begin their season. The only J.V. loss was at the hands of strong league opponent, Pacific High School. All other league opponents were defeated twice by the J.V. squad during CBL competition.

This year's squad was a balanced combination of Freshmen, Sophomores, and Juniors. Some of the outstanding wrestlers this season were Bill Pugh at 115 lbs., Leonard Bumpus at 123 lbs., Greg Hover at 130 lbs., Glen Cozart at 136 lbs., and at 175, Richrd Ramirez.

## Baseball's

Tiger Baseball maintains the fourth quarter excitement at Chaffey High School.

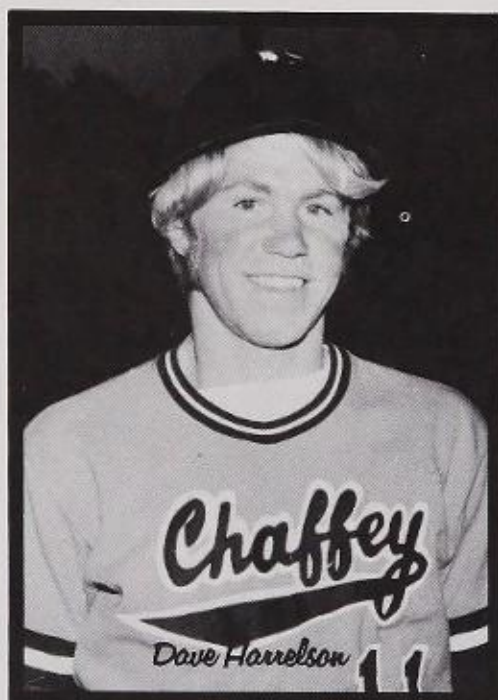

With seven returning lettermen, coach Jim Semon built the Varsity team into one of the finest competitors in the 1976 Citrus Belt League.

The team was basically good, and went far in the season. An excellent pitching staff helped the defense. With the Tigers up to bat, home plate saw many good hitters.

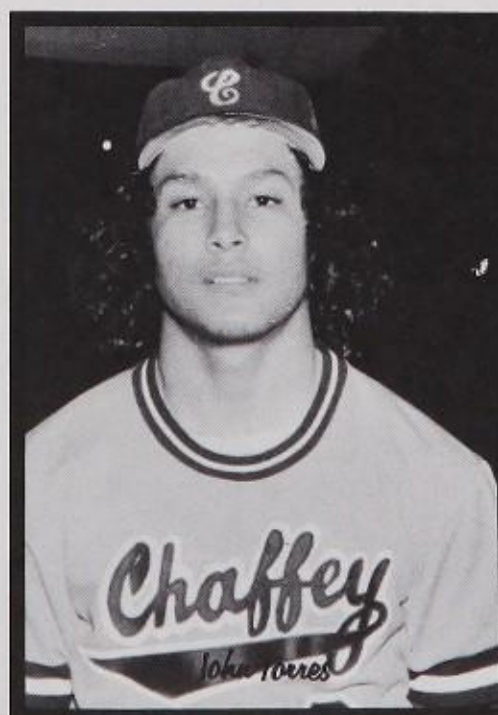

Chaffey won the first round of C.B.L. play, which made the future look bright. Tiger standouts were: Rick Fellhauer, Tom Bessette, Dave Harrelson, Anthony Munoz, John Torres and Dan Crowe.

# GIRLS' BASKETBALL 1976

With only two seniors on the girls' Varsity Basketball teams, the Tigers opened their season with the first annual Chaffey Girl's Invitational Basketball Tournament held February 5-7 in the Tiger gym.

Making it more of a challenging game the girls' competition moved from the San Antonio League to the Citrus Belt League, which enabled the team to play such stiff competition as Eisenhower, Pacific, Fontana, Redlands, and San Geronimo. Having such a young team, the tigers look promising for future CBL championships.

The girls' basketball program is expanding and drawing more girls for tryouts each year. It has changed drastically in the past five years which has made the games much more exciting for players and spectators.

Outstanding performers are Dana Crappa, guard; Captain Peggy Toole, center; Co-Captain Lorel Roehl, guard; and Cathy LaVangie, forward and center. The rest of the Tiger team adds strength to their teammates.

Last year they were undefeated league champions in the S.A.L. league. Many players are strong hitters and had lots of speed on the bases. There were six returning players and several strong freshman and sophomore players.

# Tiger Tennis '76

The 1976 Chaffey Tennis Team was a fairly strong team this year with nine returning lettermen. However, the league was stronger, also the only person that graduated from the top seven players in the league were from Chaffey. The team improved steadily though, and was a factor in the race for the CBL crown. The other tough schools in the league were Pacific and Redlands. This year was considered a building year in that there were only two seniors on the ten men varsity team. Coached by Barry Cadwallader.

## GIRL'S TRACK AND FIELD

This season began Feb. 2nd with many new faces coming out for track. The team this year is very young and small, with the majority of girls being freshmen and sophomores. The team also has several returning stars like Tanya Bowie who broke 3 school records last year, Kim Wilcox — shotputter, Antonia Walker — high jumper and Jan Moskun — hurdler. The first League Meet will be March 31st at Chaffey against Eisenhower. We are looking forward to a successful growing season.

It takes patience, understanding and knowledge to realize that each and every sport is important to the athlete who participates.

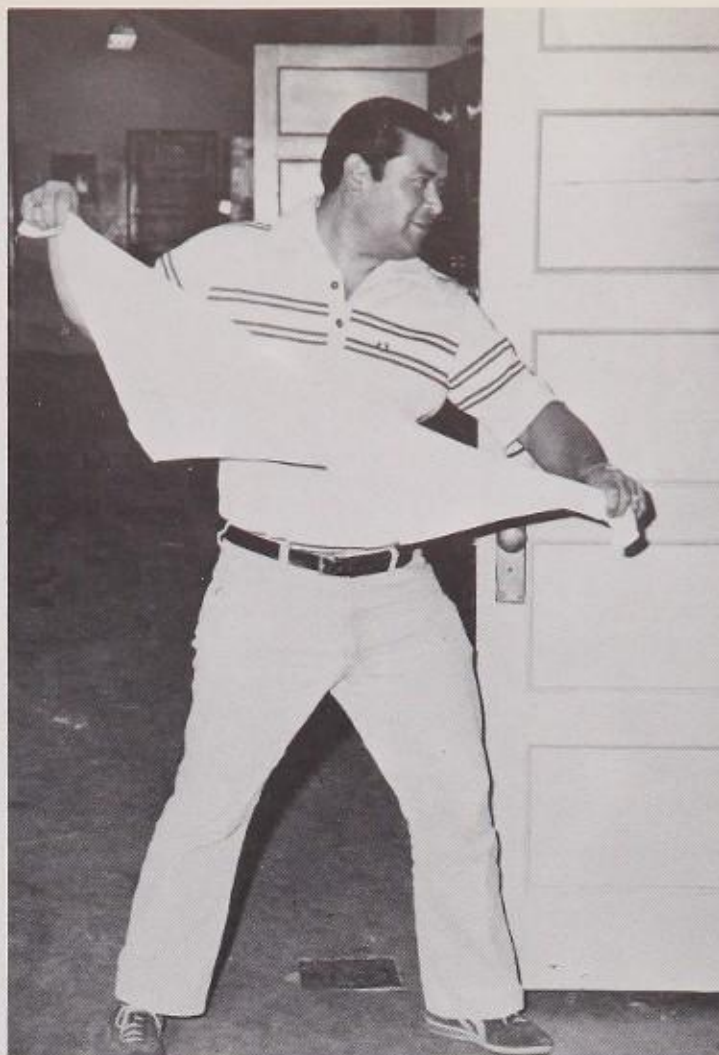

Knowing this, he becomes a great man in the eyes of students, and has proven to be an outstanding Athletic Director. He once said, "Each sport has a special something to offer to make it unique." Part of this uniqueness comes from himself. Much unknown hard work and overtime goes into every sporting event all year long. His words: "This is the life of the school and it is my pleasure to be a part of it." Because of his dedication, we give special recognition to . . .

To recognize all the individuals who are associated with sports at Chaffey High School is near impossible. On these pages are but a few: Mr. Francisco, Homer, Henry, Louie, Mrs. Mitchell, The Managers, the Referees, Umpires, GAA, Pep Squad, and . . .

On campus there are thousands of sports fans, and you know who you are. Without your faith and spirit, sports would be nothing. Without sports, Chaffey would be lost. Be happy to be a part of it all. If sports is the one thing that unites student body, then may it keep on forever. Devotion is the word most closely related to athletics, and devoted these people are. Many thanks to all.

## Girls League

The Girls League is the largest organization on our Campus. Every girl becomes a member of the Girls League when they enter Chaffey High School. A few of the activities sponsored by the Girls League are: The Big Little Sister Potluck, a Backwards Dance, The Student Aid Drive, and the Christmas Formal.

Each third period class elects a representative to attend a monthly meeting. During the meetings the Representatives have the opportunity for input as well as receiving information that is to be taken back to the classroom.

# WISHING UPON A STAR

During the week before Christmas, the Girls' League held their annual Student Aid Drive. Sharon Hansen, school service chairman, directed the effort this year. The week was followed with sales of candy canes, jingle bells, cookies, mistletoe, and other holiday goodies. Throughout the week third period classes held collections. The week ended with the traditional Dutch auction. Ted Reeves class took top honors, raising over eighty nine dollars, but closely followed by Norm Naylor's class which brought in over eighty five dollars. The 1,320.00 earned during the week will be added to the Girls' League Welfare Fund, which is used for Chaffey Students who need financial aid. Girls' League members were also busy decorating the Christmas tree in the CHS Library, presented a Hickory Farms Goodie Pack to Principal Fred Adams, and teamed up with Key Club in sponsoring the Christmas Formal.

Come one come all to the greatest show on earth. Step right up folks, and meet King Steve and his court of clowns. Presented at the Chaffey College Circus on April 3, Girls' League finalized a week of entertainment, as Steve Hollenbeck was crowned King Clown. The center ring featured "Cecil," while clowns, barkers, ring masters, magicians, lions, snake charmers, fortune tellers, and spectators filled the Big Top for the finale, "Circus! Backwards Week, the most exciting week of the year, was filled with fun and activities. Monday the festivities began with a popcorn sale. Tuesday was "Hush Day" with Pat Ruiz being named "Mr. Irresistible" after collecting a total of 106 clown tags. Taffey was also sold during lunch. Voting was held on Thursday accompanied by a cotton candy sale. Friday, the school turned into a three ring circus as students dressed the part. Balloons were also sold. During the week, clubs were busy advertising for their king candidates, which led to the crowning on Saturday at the dance.

# THE MUSIC MAN

"I always think there's a band, kid" Music Man, Prof. Harold Hill says to a young boy in River City, Iowa. Harold is the great American go-getter, confidence man in Meredith Wilson's musical theatre masterpiece, THE MUSIC MAN. Harold's musical fantasies lead to a heart warming climax as the boys of River City put on their band uniforms and take instruments in hand to play "The Minuet in G" as it has never been played before. Harold's musical "Think System" wins the day.

# National Forensics League

The Chaffey Chapter of the National Forensic League has shown both spirit and enthusiasm throughout the of 1975-76. Although taking in an estimated 150 awards this year, the goals set for the club go beyond the trophies and ribbons. The members have discovered the beauty of the art of communication. The speakers all agree that the with encouragement of Judith Pett and with the zest-fullness shown among the members themselves, this club experience will be one of profit and memory.

## *Band Royalty*

Two weeks before the Chaffey Tournament, the students in the band elect a band queen from one of their senior members and the drill team elects one of their students to serve as queen. Wendy Schulze, Top Sergeant of the Band and First chair clarinet, was the band's choice for queen and Cindy Ayala was selected by the drill team to share the queen honors. But, every court must have a King to accompany the queens and Ben Boetel was the Senior Bandsman receiving this honor.

The two queens and king represented Chaffey High School during the directors banquet, which is held each year in honor of the visiting schools. They also represented Chaffey in the parade which kicked off this annual festivity.

The parade begins at 4th street and moves down Euclid Avenue to "B" street. The "Band Royalty" precedes the band and drill team in an open car as they move down the avenue.

## Homecoming Activities

Many weeks of advertising and excitement comprised the 1975-76 Football Homecoming activities.

Painting banners, hanging posters, dressing up weird, and causing chaos on campus, hold memories for all who participated. A special attraction bestowed the queen rally, as Chaffey's student council arranged the "The Great Race" to be held prior to the queen introductions. Representatives from each class filled Graber field and joined in on the three-legged race armed with burlap bags. The faculty also got into the action . . . but the fantastic SENIOR class turned up the victor, and began the excitement of the day's activities.

The weeks reached their climax during the halftime show in the Chaffey vs. Eisenhower game as Donna Whited was chosen to reign as Queen. But the royalty didn't stop there. Molly Boggs, Paula Flores, Janet Signorio and Lynda Valdez were honored as princesses, and along with Queen Donna, the senior class presented them with necklaces in which their names were engraved.

# 1975 FOOTBALL HOMECOMING DANCE

As the band played, the people danced, and the evening unfolded, Queen Donna Whited and her court were honored at the 1975-76 Football Homecoming dance held at Chaffey College.

"We've Got Each Other" set the mood while couples danced to the sounds of "Orange."

Refreshments were provided by the Senior class, and a special touch of the beautiful night air made October Twenty-Fifth a night that will be remembered.

# SPRING SPORTS ACTIVITIES

Julie Anderson, Suzanne Irwin, Linda Andrejko, Sue Scott, and Julie Signorio at the rally.

There were many different activities this year to introduce the queen candidates. Each girl was given a day to compete with their escort in a licorice race and donut eating contest. The races were won by Julie Signorio and her escort Anthony Munoz. The winning times were 1:00 in the licorice race; 1:09 in the donut eating contest.

Preceding the rally was a parade of the queens. Each girl was carried in either a wheelbarrow or a wagon by her escort throughout the school.

The long hard hours of campaigning came to an end when Julie Signorio was crowned as the 1976 Spring Sports Queen. Julie began her reign during halftime at the Chaffey vs. Eisenhower Basketball game of February 19. The court was made up of princesses Julie Anderson, Linda Andrejko, Suzanne Irwin, and Sue Scott.

# TIGER RAG

Cynthia Walker and Mary Ann Wisniewski, editors.

A new approach toward a campus publication was tried by Tiger Rag this year. Headed by Cynthia Walker and Mary Ann Wisniewski, co-editors, the staff raised a few eyebrows among campus residents and parents with talkworthy topics as teen-age pregnancies, male liberation, high school "soc-ism," alcoholism and homosexuality. Using a small magazine format, the eight-page news magazine was praised by judges in contest ratings. Tiger Rag writers were among the best in the San-Bernardino-Riverside counties write-off competition in the spring.

*Front Row: Fabianne LaMonica, Pilar Cue. Second Row: Mothobi Moreboli, Helga Hrubesh, Jouko Rautiola.*

Helga Hrubesh

Helga Hrubesh, from Vienna, Austria, found herself quite active in America. During her stay here with Lewis, Shelly, and Mr. and Mrs. Harmon, they have gone boating, to the beach, to Alabama, and Disneyland just to name a few. In Austria for entertainment she goes to movies and dances. She also finds time to do plenty of skiing. Helga finds the school system much easier here and the people quite different.

## FOREIGN EXCHANGE STUDENTS

Mothobi Moreboli

Eighteen year old Mothobi Moreboli is a foreign exchange student from South Africa. Living with the Miranda family, Mothobi has really enjoyed his stay in America. He thinks Chaffey is great, and has been involved in activities council and the soccer team. At home in Africa, he has three brothers and two sisters. In the Miranda household, Mothobi has two brothers, Dennis and Doug, and his American parents Mr. and Mrs. Miranda. He thinks the best thing about Chaffey is that not many people here are prejudiced.

Fabianne LaMonica

Fabianne LaMonica and her family moved to California from Marseille, France in early October. Though Fabianne is not a true AFS student, she has been a great friend to Chaffey students. Fabianne resides with her parents, Mr. and Mrs. LaMonica, her Grandmother, and younger brother Frank. When asked what is the one about Chaffey that is different from the schools in France she commented that in France the students have the same class and teacher all day.

### Pilar Cué

After receiving a warm welcome from Chaffey, Pilar Cué made herself at home with Tim, Kari and Mr. and Mrs. McDermitt. A Foreign Exchange Student from Mexico City, Pilar has adapted to the American way of life. Football games, rallies, and fun times filled her year along with trips to Disneyland and Mannot with her American family. Although she speaks broken English, Pilar has managed to become quite active in Chaffeys activities. She has two brothers and two sisters along with her mother and father in Mexico City. Pilar will return home in June.

### Jouko Rautiola

Jouko Rautiola comes from Rovaniemi, Finland. During his stay here, he lived with Dr. and Mrs. Lee and their two children, Joyce and Bill. In Finland, Jouko has two older brothers, both former exchange students. He has enjoyed his stay in America very much. Jouko will be returning to Finland in July.

## Executive Council

The 1975-1976 Executive Council had a busy year, focusing on a number of controversial issues. Due to legislation coming from Sacramento, the Executive Council surveyed Chaffey students to learn their views about establishing smoking areas on campus and having Physical Education classes being elective at the Junior and Senior level. Members of the Council also took part in the initial work for the Accreditation of our school. The Council is charged with a number of duties, as outlines in the Chaffey High School Student Body Constitution. Members of the Council budget nearly fifty thousand dollars for student activities, regulation elections, and establish the policies necessary to conduct the business of the Student Body. All all, the Executive Council had a busy year, leaving its mark.

The Activities Board services as the hub of all student activities on the Chaffey Campus. Chaired by the Social Chairman, Di Lee, it functions to coordinate all sales, dances, ralls, and other activities. The Board administers the policies of the Student Body and insures compliance. All student organizations conduct their affairs through the Board, which meets daily to schedule activities. With an ever increase number of clubs, the Board's task becomes more complicated as it seeks to be sure each has a fair share of the activities.

# Communication Council

The Communication Council is the largest student government body on the campus. With each second period class having a representative, the council has membership of around one hundred and fifty students. The A.S.B. Vice-President, Virginia Rodriguez, chairs the monthly meetings. Much of the years' business centered on the matters of smoking on campus and Physical Education becoming an elective. Many meetings were highlighted by broad vocal participation of the members.

## Student Lounge Committee

The Student Lounge is run in conjunction with the Student Resource Center's activities. The lounge, which is open to all students, has a very relaxed atmosphere with music and games available for those who wish to participate. Ruben Garcia and Kathy Rivera are peer counselors and student assistants in the lounge.

## Judicial Council

Out of concern for the general welfare of the student body, the Judicial Council was formed. Its purpose at Chaffey is to serve any people or groups on or have close connections with the Chaffey campus.

## *HAPPENINGS*

Time, patience, and a lot of hard work is what went into the building of the house which is located at 1536 Bonita Ct. in Ontario. Working under the direction of Mr. Roger Dunlap, the devoted men of the Building Construction Class met each morning from 8:00 until the end of third period. The majority of the workers are Chaffey High School students, however, a few attend other schools in the Chaffey District.

# CLASSES CREATE

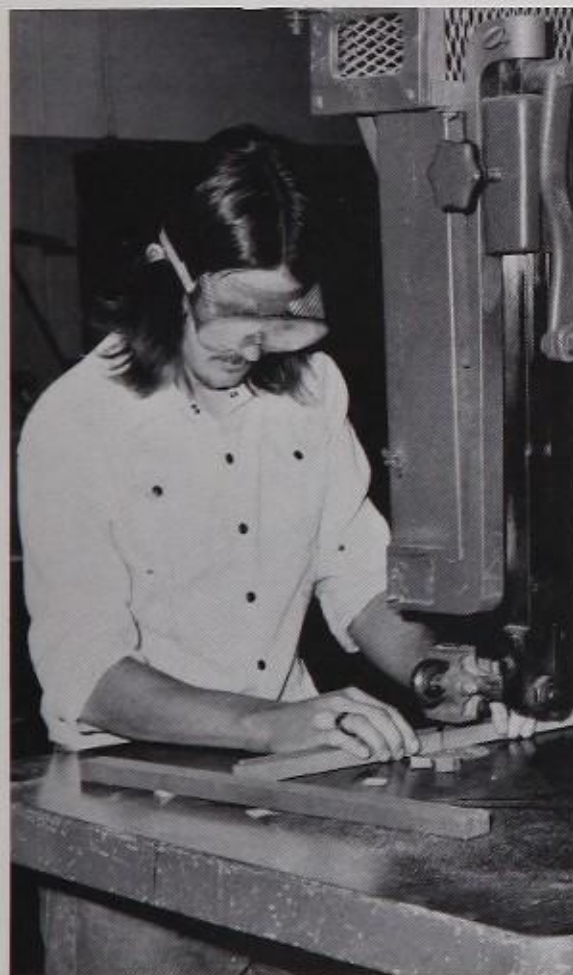

Working with the Building Construction class are the Interior decorating class, the Cabinet making class, the Business education class, and the Architectural class. These groups play a very important part in the construction of the house.

Business education class keeps track of expenses.

Interior decorating class checks over material for curtains.

Architectural class looks over drawings and lay outs.

# Halloween Haunts

On October 31, Chaffey's campus was filled with excitement as many of the students dressed in original costumes to celebrate Halloween. The costumes were worn all day at school and included anything from a kangaroo to Elton John, the famous rock star.

# BLACK AWARENESS

The week of February 23-27 was named "Black Awareness Week" and it involved a lot of planning, preparing, and hard work. This week is set aside each year to create an awareness of Black History and Culture. Events throughout the week included the selling of Soul food at both lunches. This consisted of fried chicken, cornbread, greens, potato salad, and sweet potato pie. The film *SOUNDER* was presented in G.W.S. Auditorium. Showcases were displayed in North and South Hall. There was also a book display titled "The Black Experience" set up in the Chafey High School Library. The week came to an end with an after game dance held in the cafeteria. The people involved in making this week a success were: Performing Arts Department; Kim Wilcox, Eddie Saunders, Chanucy Mann, Rene Martel. Homemaking Department; Inetla McNeal, Darrin Wright, Sheryl Wilcox, Davine Smith, Earline Hooks, Shelia Staten. Noontime Activities; Ant-

nia Walker, Vincent Nixon, Narvel Hooks, Tanya Pruhdomme. Art Department; Loyal Nixon, Alisha Staten, Chris Mann, Narval Hooks. Decoration (dance); Tanya Bowie, Claudia Ewing, Porky Staten, Earl Smith, and Mr. Miley. We would like to thank all the parents, teachers, and students who contributed their time and effort. A very special thanks to Mrs. Dorothy Nixon who played an important part in the planning of this special occasion.

# THE HOLIDAY FLING

Every year Chaffey students display their talents by presenting the Holiday Fling. All segments of the Performing Arts Department, Drama, Dance, Speech, Instrumental and Choral music); participated in spreading the Christmas spirit. The highlight of the performance was "The Nutcracker Suite". Theata Cable T.V. filmed the Production for later viewing to home audiences.

December 13th marked the date of the 1975 Christmas Formal. Many memories were made as the band "Cecil" played in the Chaffey College cafeteria. The spirit of Christmas could be seen in the eyes of people as they sparked the holidays dancing in a dream . . . on a moonlit sleigh ride.

## Powder Puff

This year, the Powder Puff teams had high hopes of making it to C.I.F., but their first game denied them the honor. The game resulted in a 0-0 score. Both teams had unique style as they both played to kill. The Black team was coached by Lloyd Rosier. The Orange team was coached by Roy Vanderkallen, Dana Lanier, Danny Palko, and Mike Bustos.

## P.I.P.

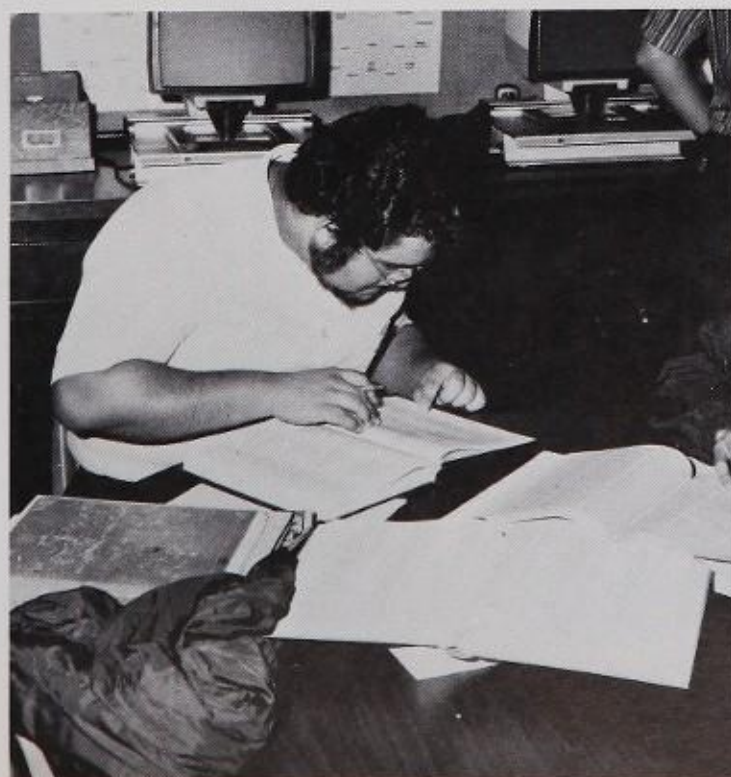

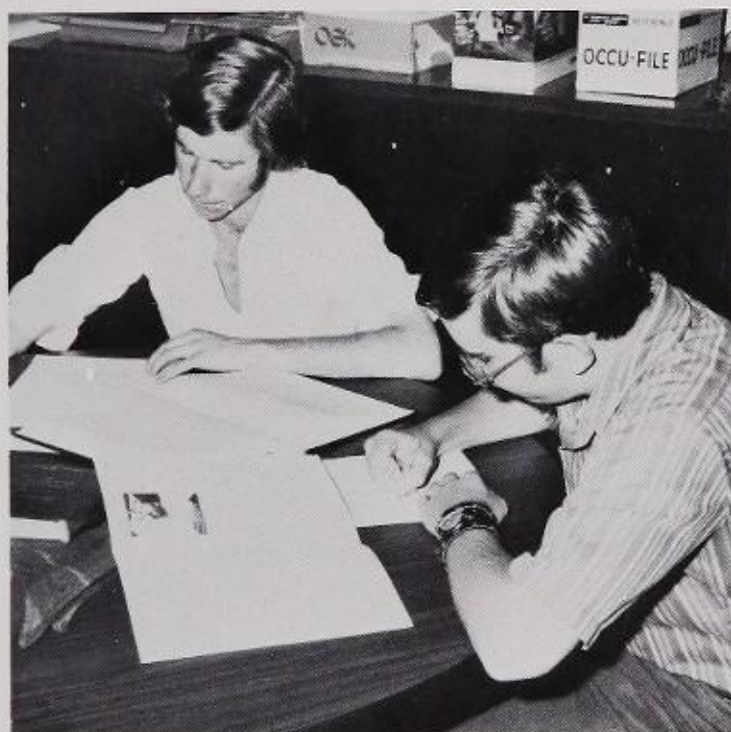

Because of the notion that teenagers are more likely to accept counseling and suggestions from their peers, a training program for "peer counselor's" has come about. People Interested in People has taught students to counsel other Chaffey students as well as teenagers from Reach-Out and the Fire House.

Peer Counselors are taught different abilities such as attentive listening, and to observe and evaluate others, talk freely, make decisions, develop alternatives, apply knowledge to problems and to be mature in their friendship and reasoning.

These student counselor's have helped many of their peers with problems concerning school, home, relations with people, drugs, alcohol, and just understanding themselves.

## Student Resource Center

Discovering, learning, and planning for the future are all a part of the Student Resource Center stationed in North Hall 9. Mrs. Cathy Brock is the Career Technician of the center. Through the years, career education has built up to be so demanding, that new and more resources have been acquired, building the resource center into a reliable, up to date source of materials. Besides plentiful books, pamphlets and magazines, the center has an audio-visual set up. Machines are programmed to give a full background of almost any career or job by inserting a card, or punching a few buttons. Tape recorders are equipped with interesting and adequate information, and an IBM machine situated in the center provides print out sheets for backgrounds on occupations. During the year, surveys were taken and from responses of the students, numerous speakers attended and were able to supply verbal briefs on the particular jobs of interest. Overall, the Student Resource Center proved to be a convenient counselor for the future. Every period of every day, students made use of the facilities, and made a building block in their life. The center was open to all, and Mrs. Brock had a special concern for every student who walked in the door. Along with Mrs. Marilyn Metcalf, Project Resource Teacher, Debbie Gordon, clerk / typist, and the Work Experience Staff, Mrs. Brock helped this once in a lifetime year to be an overriding success. A sincere thanks to all.

# CLASS OF 1776

## (How Revolting It Was)

The infamous Salty Dog Jug Band.

It's not often the Chaffey students have an opportunity to see what their teachers are really like but they had their chance Friday, April 2. The Chaffey High School Faculty and Staff presented their ninth bicentennial Faculty Show entitled "The Class of 1776 (How Revolting It Was)." The show reenacted such events as the signing of the Declaration of Independence, the Battle of Bunker Hill, and Washington crossing the Delaware. The audience had a science lesson from Nelson Palmer and Phil Piequet between bulletin announcements from Dr. Adams. Everyone enjoyed the first radio Soap Opera, Martha Washington, Martha Washington, starring Bette Harrison and Fred Manville. Entertainment during intermission was provided by The NIGHT BLOOMING JAZZMEN; the only non-Chaffey act of the shwow. The faculty and staff worked hard to produce this fine show.

"King George, my panty hose sag just like yours."

"Here, park my horse."

Impresario Chet Jaeger and the NIGHT BLOOMING JAZZ MEN.

Once upon a  
dream . . .  
I  
did all the  
things I  
had  
to do, saw  
all the things  
I wanted  
to  
see, and in  
the silent  
moments afterward,  
I wished this  
miraculous world  
held more  
for  
me to do . . .  
so that I could  
begin  
once more,  
take it as it  
comes,  
and live my  
life in  
a  
lifetime,  
not in a  
dream.

Reflecting its glow  
on the tossing waves below;  
the sunrise gives light.  
— Elaine Albert

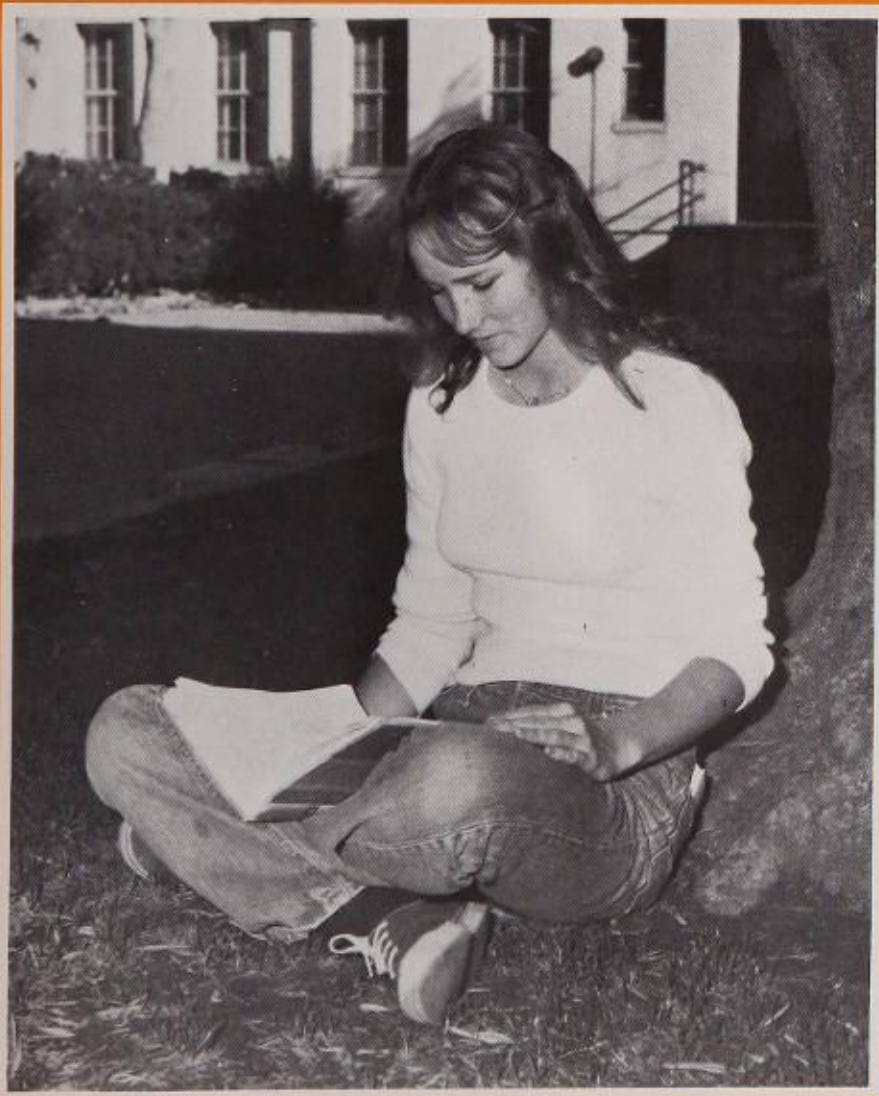

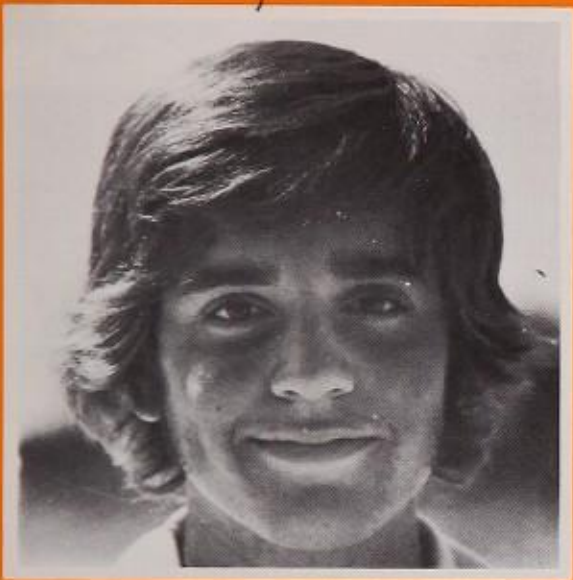

Tom,  
 I guess we  
 had some really great  
 times. Wrestling, football,  
 science, English. Those  
 are all memories now  
 but they were a hell of a  
 lot of fun while they lasted.  
 Have fun this summer  
 and stay out of trouble.

My section pretty big last  
 seniors!! And just think, next year  
 you will be lucky to be con-  
 sidered the "big man on campus."  
 My senior year was just fan-  
 tastic, and if you try you can  
 have a fantastic year. Chaffey is  
 a great school and you should be  
 proud to be a Chaffey student.  
 Take care and God bless you.

Love,

## SENIORS OF '76

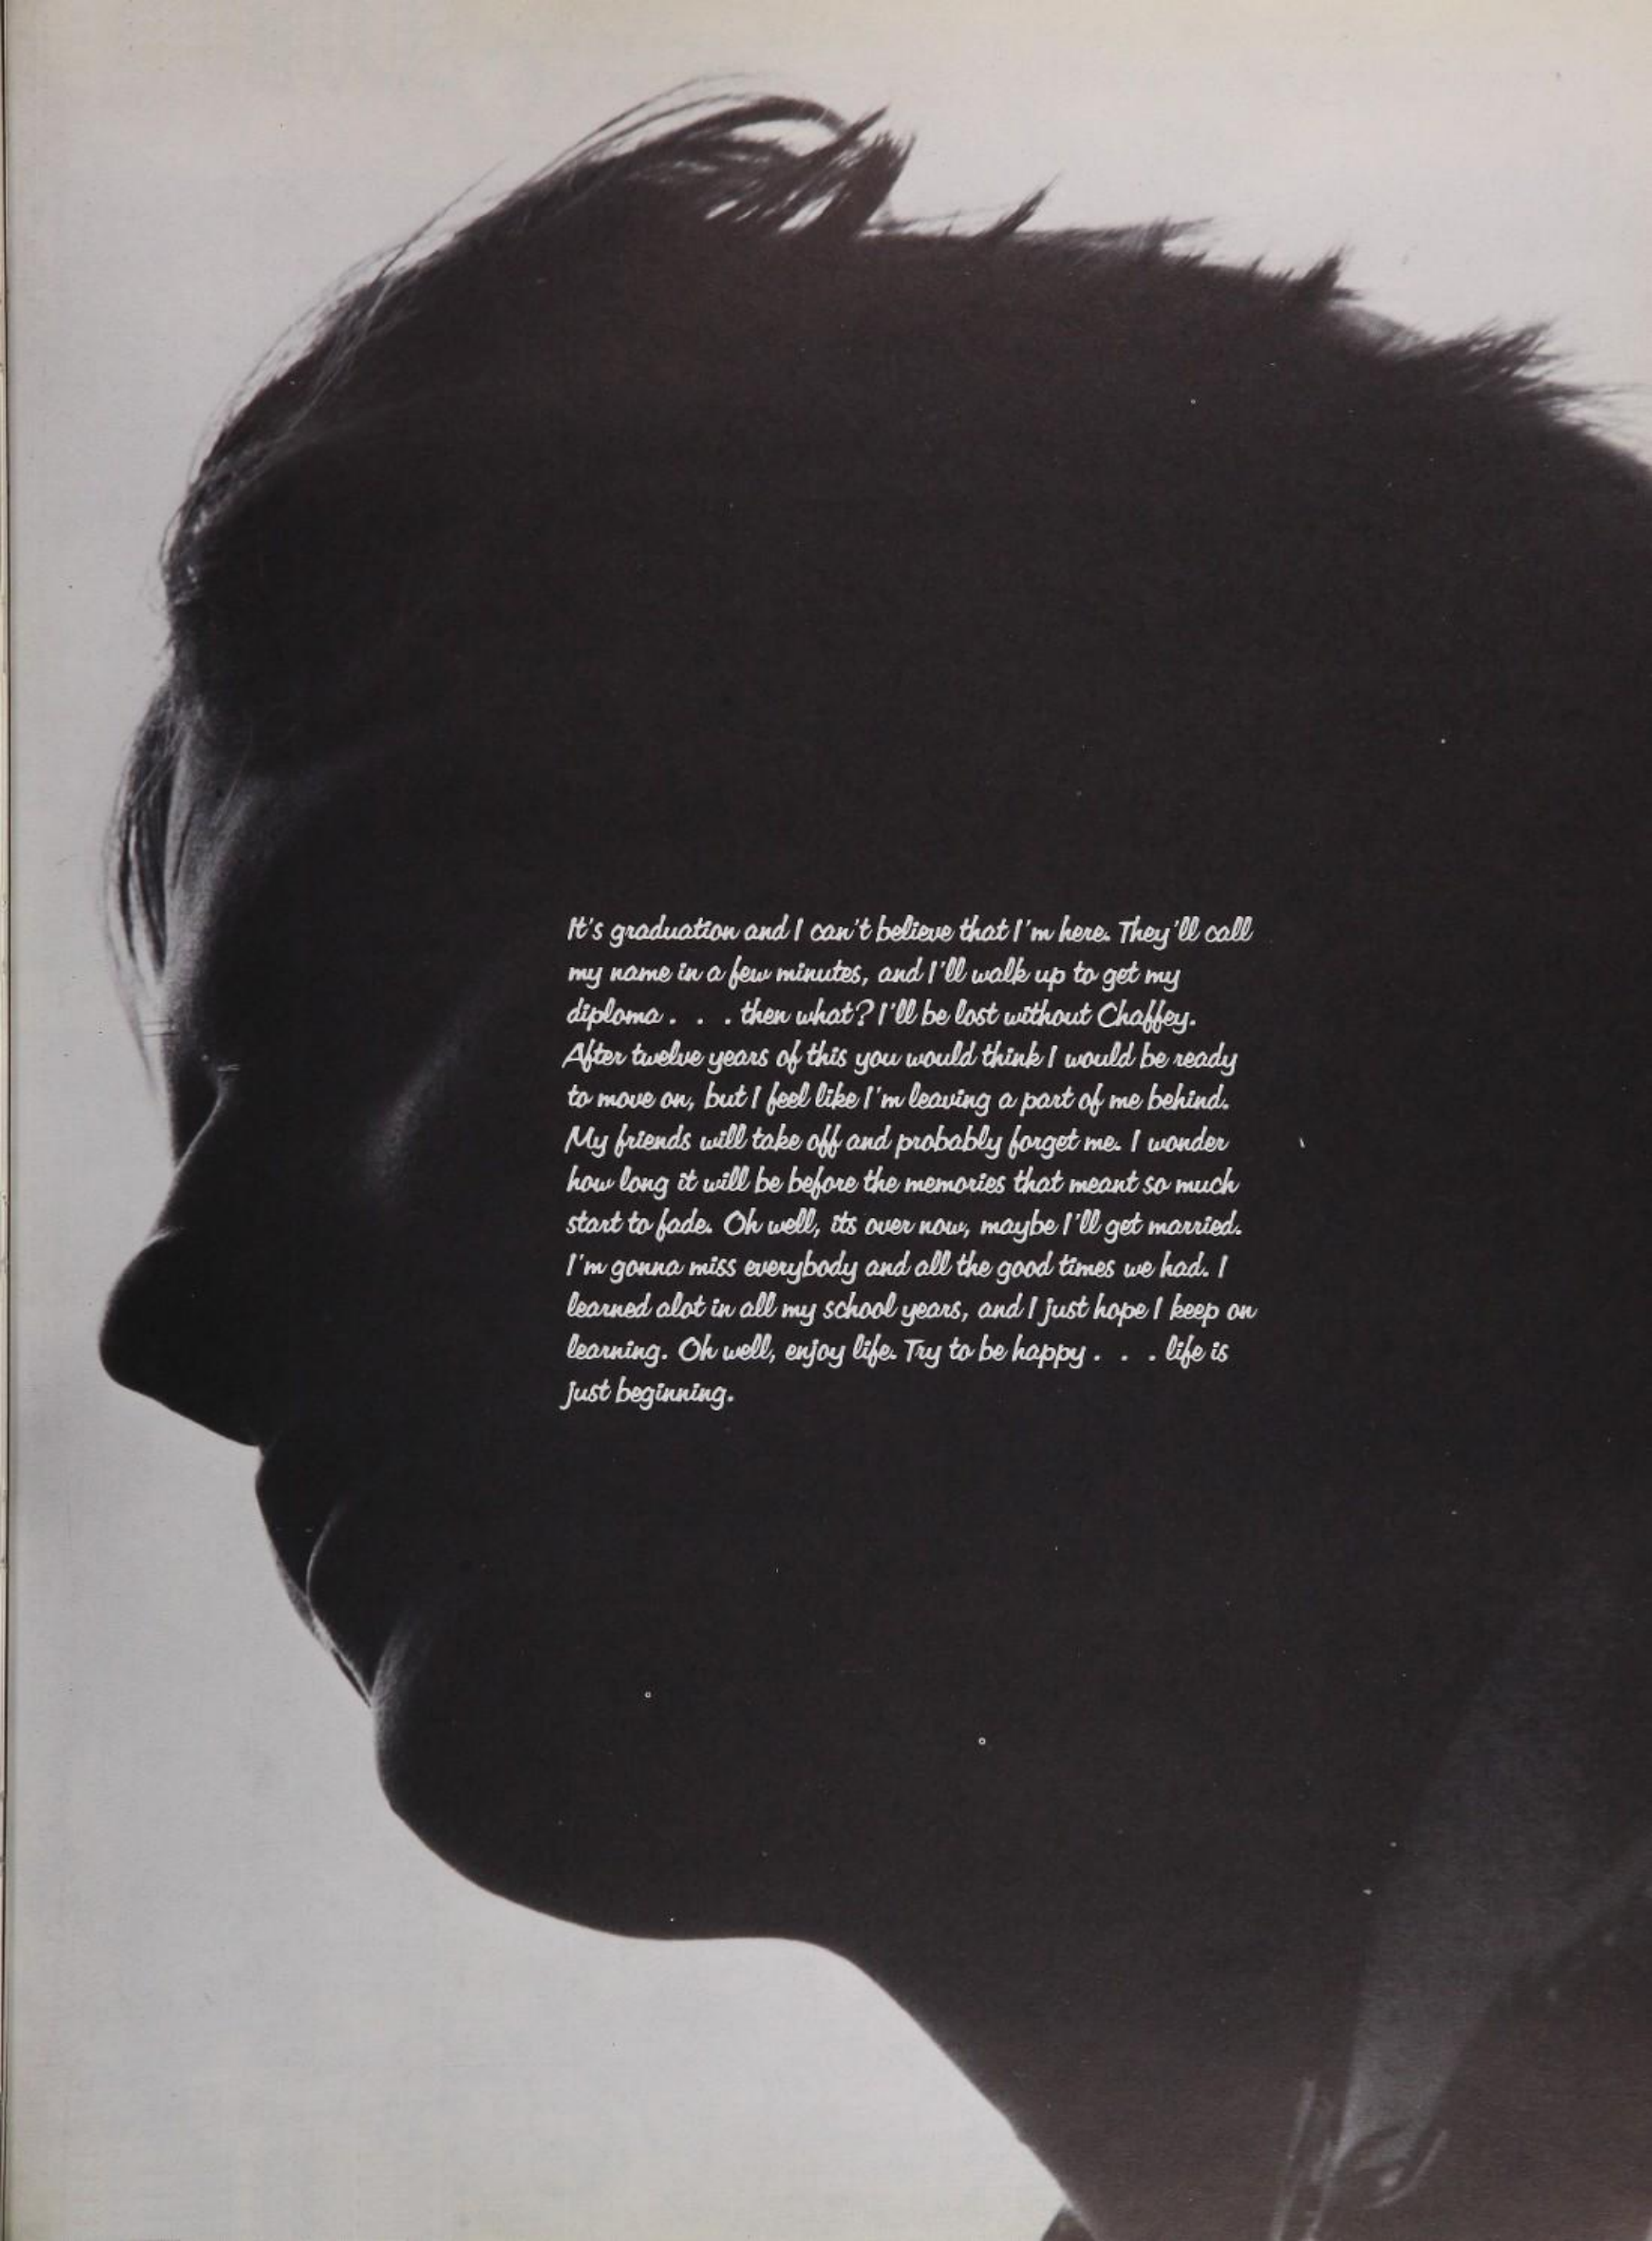

*Yeah, I'm a senior, big deal. This year's just like all my other years here at Chaffey. The only difference is I'll be graduating after this year; in just a couple of minutes as a matter of fact. I can't wait 'til they call my name . . . I'm just gonna grab my diploma, say "thanks" and run. I don't really know where I'm going to though. Before, all I did was follow the crowd. I knew I could always find someone at a game, a party, Pizza Hut, or an after game dance. It's going to be different now. We're all going to head off in different directions to try to make it on our own. What a joke . . . letting graduation get to me after twelve years of being a hard guy. Oh geez . . . well, my name's coming up. Later on, thanks, bye.*

*It's graduation and I can't believe that I'm here. They'll call my name in a few minutes, and I'll walk up to get my diploma . . . then what? I'll be lost without Chaffey. After twelve years of this you would think I would be ready to move on, but I feel like I'm leaving a part of me behind. My friends will take off and probably forget me. I wonder how long it will be before the memories that meant so much start to fade. Oh well, its over now, maybe I'll get married. I'm gonna miss everybody and all the good times we had. I learned alot in all my school years, and I just hope I keep on learning. Oh well, enjoy life. Try to be happy . . . life is just beginning.*

# CAMPUS CRACK-UPS

*Campus crack-ups* (kam' pus krak-upps) 1. funny happenings on school grounds; things that tend to make people laugh; goofy pictures. 2 seeing the funny side of pictures; Alias — "Fractured Flickers."

"Five minutes before the game starts . . . what a time for everyone to go to the head!"

"May I have this dance!"

5-4-3-2-1 . . .  
BLASTOFF!

"Captain Marvel to the rescue!"

"Carl's Junior . . . it's out of this world!"

"I was born this way, what's your excuse?"

"If you see Kathy, tell her she lost her head!"

"They won't miss just one . . . will they?"

## THE SENIOR

In the beginning you were in kindergarten. Times were easier then as you finger-painted your way through the year, took time out for naps on the towel of your choice, and lived on a ration of Ritz and Graham crackers. Who'll ever forget the classic songs that the teacher taught you. The echo of "Farmer in the Dell" and the dog whose name was Bingo, bring back memories when your biggest problem was preventing the paper straw in your milk carton from collapsing.

This was your first taste of education, and it seemed pretty easy if all you had to do was attend for a few hours and break in the play ground equipment. Why there were times when you actually begged your mother to let you go to school, even when you were sick. But this did not last for long as you were casted into the "real world" of first grade and your attempts to write your name with a pencil are unparralleled even to this day!

It was only the start as the years went by and you learned how to read, add, subtract, and pull the hair of a fellow class mate without getting caught. You also acquire new independence, as you took a firm stand in picking your "back-to-school" clothes and insisting that your mother stop making avocado sandwiches for your lunch.

Even at this early age you might have already made a name for your-self as "Four-Square Champion" or "Terror of the Tetherball", but even with such fame, you may have felt insecure as you entered Jr. High. Throughout the span of Jr. High, acne, various voice levels, and the desire to go from being the age of twelve to eighteen years old, were a few of the main concerns. And in the process you hopefully learned a few things to prepare you for the final stretch: High School.

As a freshman, you were the target of every bad joke on campus. Then as a sophomore you gained more confidence and no longer did you fear being in the same room with a senior. By your junior year you mastered the art of getting to class on time (well, most of the time) and figured out how the "scramble system" worked.

And now finally you ARE a Senior. For some, the educational experience will be continued further, but for all the graduating seniors of '76, it's another new beginning.

## Graduation Speakers

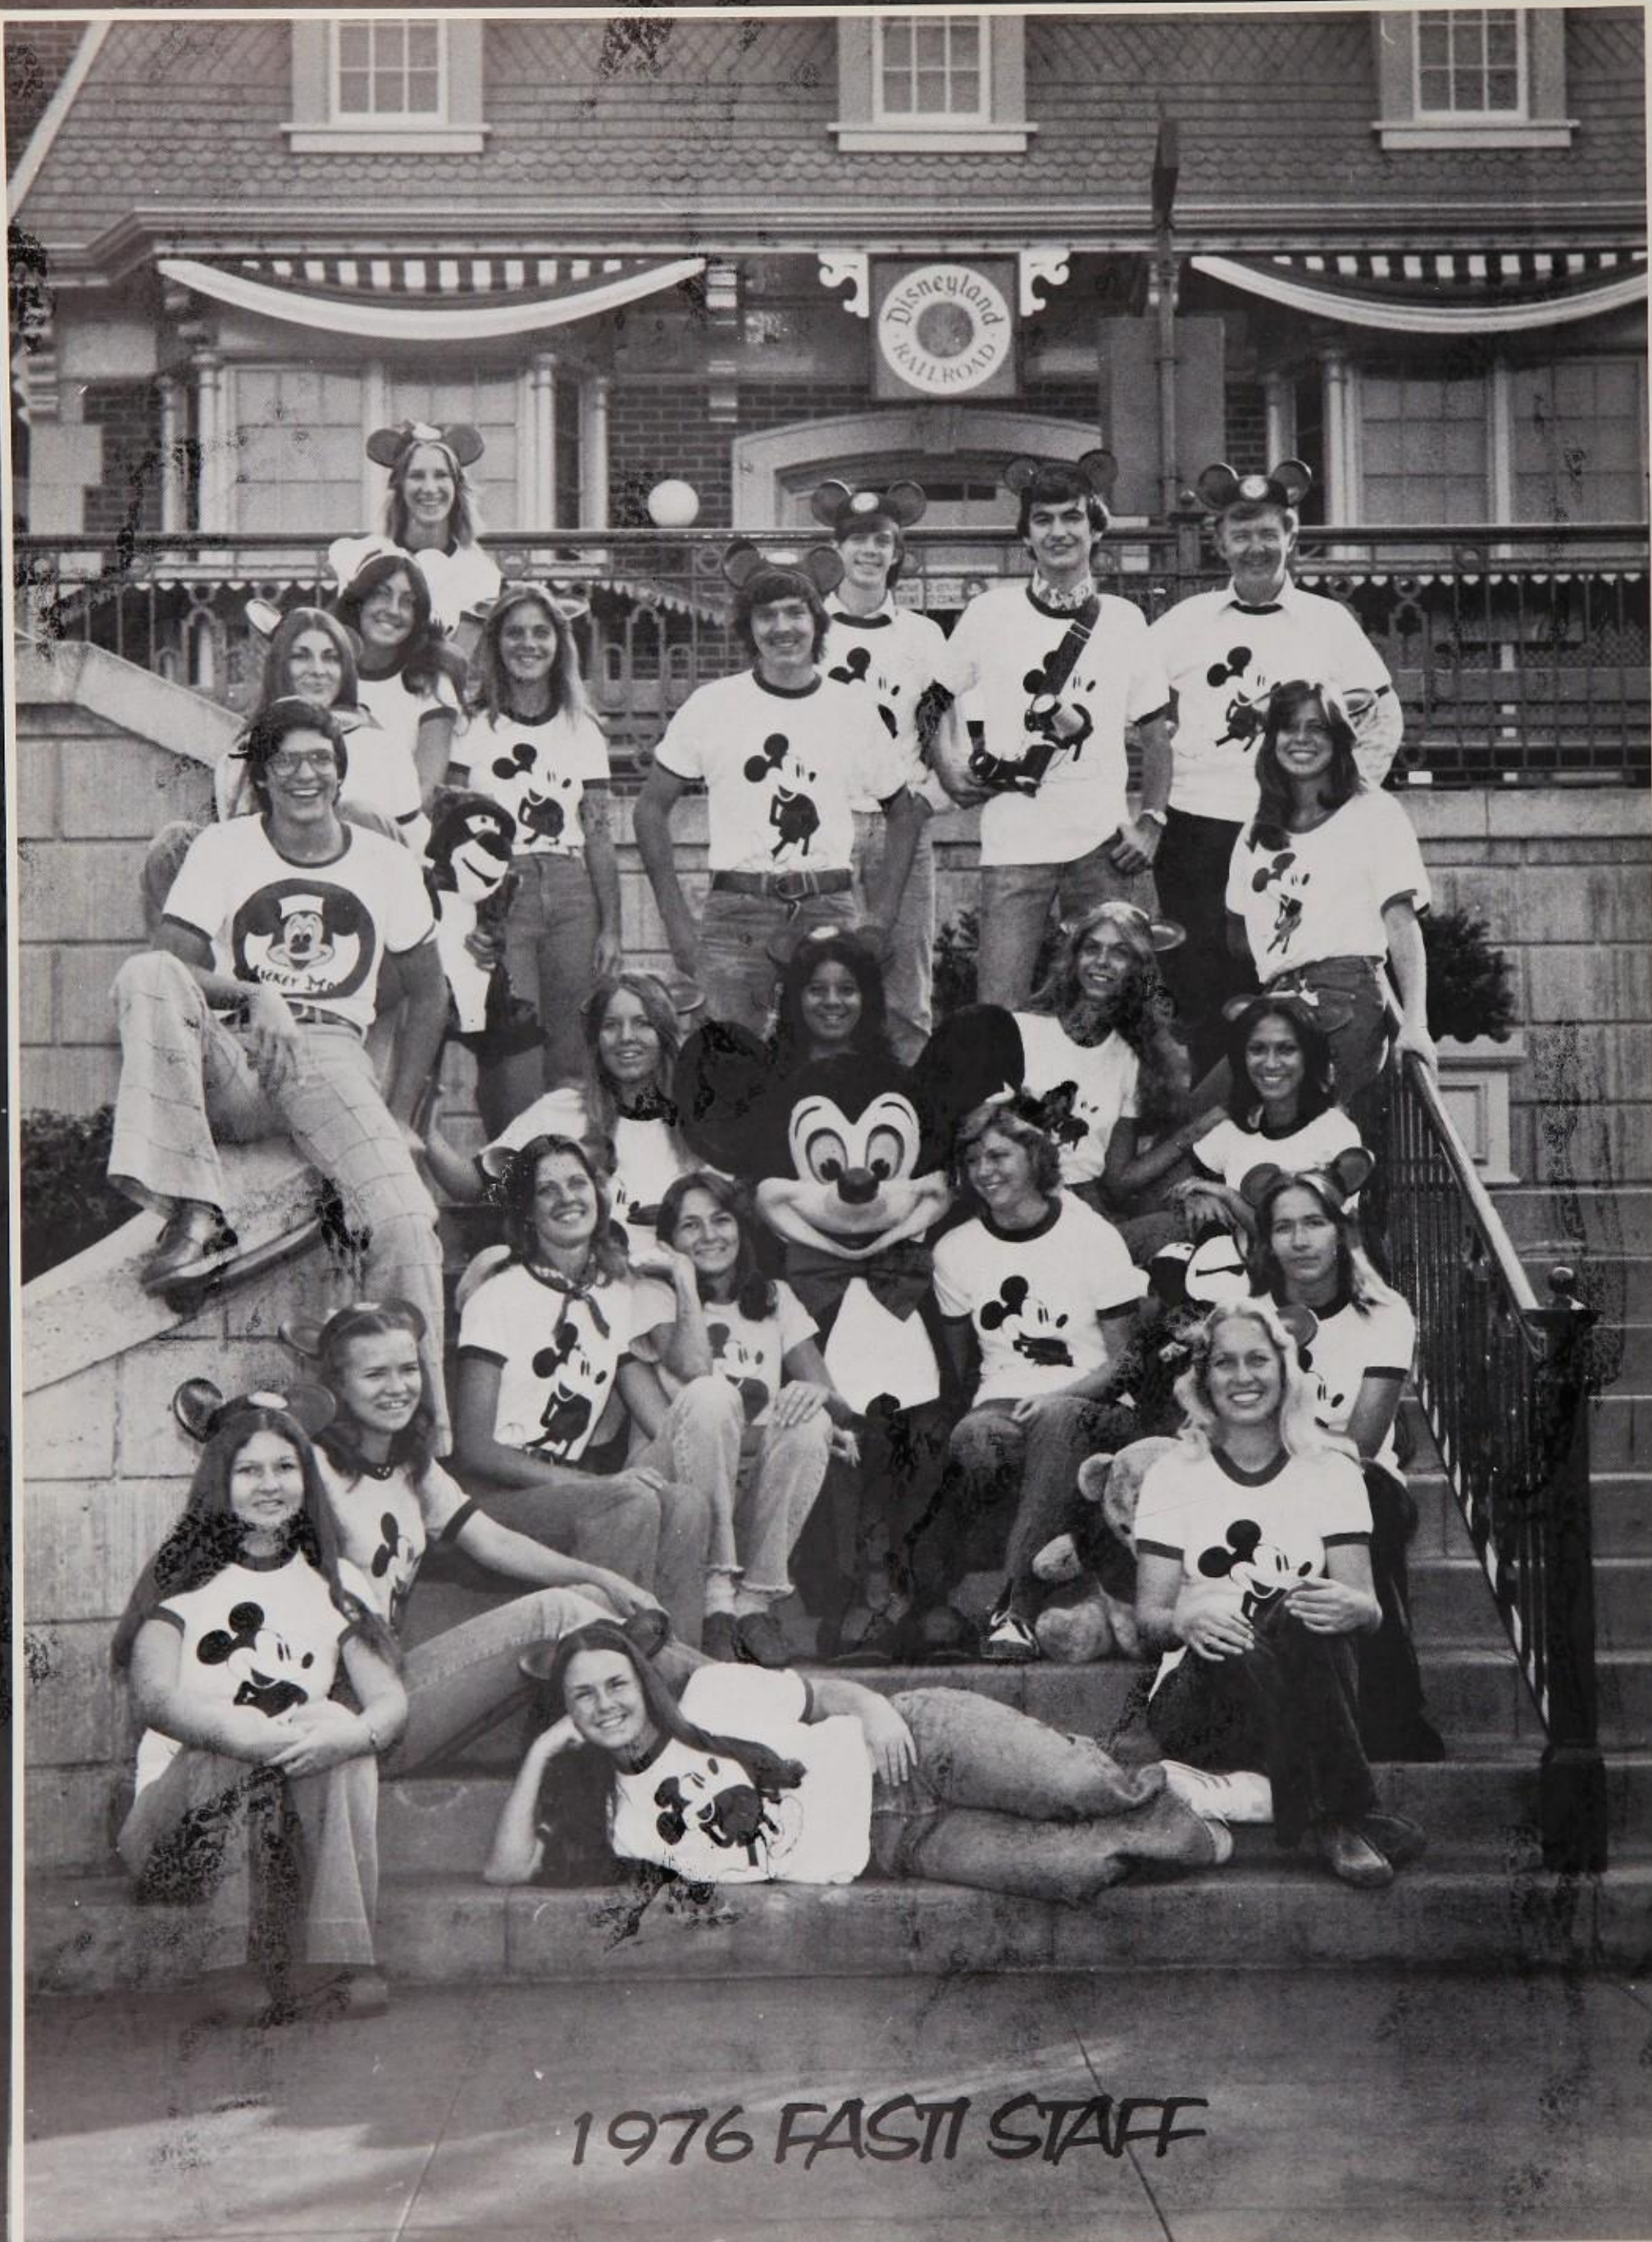

Kevin Neff, Sue Johnson, and Joe Graff

On the evening of June 9th, the Chaffey class of 1976 gathered together for the last time as the commencement ceremonies began.

The seniors heard a few parting thoughts from three fellow classmates. Joe Graff talked about "The Foundation of Our Country: Where Does It Really Begin?" reflecting on the Bicentennial year. Sue Johnson's speech, "Memories, Use Them to Build Your Future" allowed them to look to what the future might hold. Kevin Neff asked a sentimental question with "Are You Really Glad It's Over?"

After diplomas were issued, a group of new Chaffey Alumni headed for a fun filled night at Disneyland.

Many long hours, sleepless nights, and lots of tears went into the making of this book. But we were not without good times, laughter and smiles, and a special feeling of friendship and love which came from our working as one. All these things, and the patience and understanding of our Advisor, make the '76 FASTI a yearbook that we are all proud of.

Though this is the end of the frustrations, hard work and headaches, it's just the start of our memories - memories, both good and bad, which we'll keep for the rest of our lives.

Look back and be happy with your memories - they will never happen again, for 1976 will only happen "Once In A Lifetime."
